Belmont College – Ohio University Plan

Bachelor of Science in Integrated Healthcare Studies Pathway

The Integrated Healthcare Studies (BS IHS) degree is designed as a completion degree for individuals who have completed at least 60 semester hours in an allied health-related discipline; or for those students who have started an undergraduate health related program and have decided a more general health degree better suits their educational goals. The BS IHS program provides students a pathway to continue their education, increase career possibilities, and creates a pathway to graduate education. The Integrated Healthcare Studies program responds to the need of an increasingly complex state of the American healthcare system by providing opportunities for students to acquire vital knowledge and skills that will be critical in practicing and navigating the healthcare system. Not only is the healthcare system becoming more complex; healthcare professions, and healthcare support, are among the fastest growing occupations with the increased expectation that higher levels of education will be required.

Online Convenience. Ohio University Quality.
- Review study materials and submit assignments online.
- Learn from distinguished professors with clinical experience.
- Progress through the degree in consultation with an Ohio University academic advisor.
- Flexibility to choose classes for your specific needs and most IHS courses are held in 7-week increments.

Admission Requirements
- Any associate degree or 60 semester (90 total quarter) hours from regionally accredited school
- Students must have completed at least one course in each of the following areas: 1) mathematics, logic, statistics, or quantitative reasoning 2) English composition 3) biological or natural sciences and 4) psychology, sociology, social work, or social sciences.
- Students must have completed at least 9 semester hours in additional courses with a health or medical focus such as: First Aid and CPR/AED, Medical Terminology, and courses with the Ohio University prefixes BIOS (Biological Sciences), HTCH (Health Technology), MAT (Medical Assisting Technology), HST (Human Services Technology) or HLTH (Health). Others will be considered.
- A minimum combined GPA of 2.67 (B-) from all prior college-level coursework.
- All official transcripts submitted to Ohio University at the time of application.

Degree Requirements
To qualify for the Bachelors of Science in Integrated Healthcare Studies degree, a student must have completed all Ohio University graduation requirements: general education, College, major, and residency. Students must complete minimum of 30 semester credit hours of Ohio University credit and a minimum of 50% of the major course requirements at Ohio University.

Ohio University BRICKS General Education Requirements
BRICKS is Ohio University’s general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone. Courses used to satisfy BRICKS requirements may be completed through Belmont College or OHIO Online. The table below lists Belmont College courses that have direct course equivalencies at Ohio University which meet BRICKS requirements. General education courses that may also satisfy program requirements are inside brackets. HIST courses marked with an asterisk (*) will automatically equate to fill Pillars Humanities Texts and Contexts, but may alternately equate to fill Pillars Social and Behavioral Sciences. Work with your academic advisor to make adjustments.

BRICKS and the Ohio Transfer 36
Students who complete the minimum requirements of the Ohio Transfer 36 (OT36, formerly the Ohio Transfer Module) at another college or university prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University’s BRICKS general education requirements in Foundations (excluding the Advanced Writing component, which requires completion of TME 002 Second Writing), Pillars, and Arches. If you have not completed the OT36, your courses will be evaluated on a course-by-course basis and will apply toward general education requirements as appropriate.

Disclaimer:
The information on this guide is based on the catalog requirements posted in the 2023-2024 Ohio University catalog and related Belmont College equivalents as of the Last Updated date. All information is subject to change without notice. Students must complete a minimum of 120 total semester hours, are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on options that are offered.
