

Community College of Beaver County – Ohio University Plan

RN to BSN Online Program Pathway

The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a Bachelor of Science in Nursing (BSN). We realize that nurses juggle multiple demands — career, family and classes — and carving out time to drive to campus and sit for a lecture can be a challenge. The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

- Start your RN to BSN courses regardless of how many prerequisites you have completed.
- Review study materials and submit assignments online.
- Learn from distinguished professors while having the daily support of an academic coach.
- Complete each nursing course in only 5 weeks using our media-rich online learning system.

Admission Requirements

- Applicants must be a graduate of an approved program (or its equivalent) that prepares individuals to sit for the registered nurse licensing exam (NCLEX-RN) and be a resident of one of the Ohio University authorized states. Check undergraduate admissions website or call the School of Nursing for a list of current approved states.
- Students must have completed the equivalent of ENG 1510 to be admitted to the major. Otherwise, students will be reviewed for the pre-major
- Combined 2.0 GPA from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended.

Application Information

Degree Requirements

To qualify for the Bachelor of Science in Nursing degree, a student must complete all Ohio University graduation requirements: general education, college, major, and residency. You may have met many of these requirements during your previous nursing education program. Students must earn a minimum of 30 semester hours of Ohio University credit, complete a minimum of 50% of the nursing course requirements at Ohio University, and complete a minimum of 120 total semester hours for graduation (elective hours may be required).

Ohio University BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone. Courses used to satisfy BRICKS requirements may be completed through Community College of Beaver County or OHIO Online. The table below lists Community College of Beaver County courses that have direct course equivalencies at Ohio University which meet BRICKS requirements. General education courses that may also satisfy program requirements are inside brackets.

Gerontologic Nursing Care	NRSE 4560
Diversity	[NRSE 4570] (completes OHIO BRICKS Bridges: Diversity and Practice Requirement)
Leadership in Nursing	NRSE 4580
Nursing Excellence	[NRSE 4600] (completes OHIO BRICKS Capstone and Bridges: Learning and Doing Requirements)

Disclaimer:

The information on this guide is based on the catalog requirements posted in the 2024-2025 Ohio University catalog and related Community College of Beaver County equivalents as of the Last Updated date. All information is subject to change without notice. Students must complete a minimum of 120 total semester hours, are responsible for tracking their degree completion on their DARS, and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options.
