

Clark State Community College – Ohio University Plan

Bachelor of Technical & Applied Studies Online Program Pathway

The Bachelor of Technical and Applied Studies (BTAS) is intended for students who have already completed an applied associate's degree program from an accredited community college, regional campus, or technical college, and who wish to pursue a baccalaureate degree. The BTAS builds upon the technical skills developed within applied associate degree programs by providing the knowledge and professional skills necessary for career advancement.

Online Convenience. Ohio University Quality.

- Review study materials and submit assignments online.
- Learn from distinguished professors.
- Progress through the degree in consultation with an Ohio University academic advisor.

Admission Requirements

- Completed technical associate degree (AAS, AAB or ATS) from a regionally accredited college or university or 60 total credit hours including 24 related technical hours.
- Combined 2.0 gpa from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended

Application Information

Electives	Work with Academic Advisor for appropriate course selection	

The information on this guide is based off of the catalog requirements posted in the 2019-2020 Ohio University catalog and related Clark State Community College equivalents as of the Last Updated date. All information is subject to change without notice. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with CPM/Advisor to discuss course selection based on offered options.
