Correction Information

Are you now or have you ever been charged with or under indictment for a felony? Yes No

Are you now or have you ever been charged with or indicted for an act you committed as a child that would be a felony if committed by an adult? Yes No

If the answer to either or both of the immediately preceding questions is yes, were you convicted of a felony and/or were you adjudicated as a delinquent child for an act that would be a felony if committed by an adult? Yes No

At all times, as an applicant or a student, you are required to notify Ohio University's Office of Legal Affairs of any charge, indictment or conviction involving a felony or act that would be a felony if committed by an adult. Failure to provide such notification may result in student disciplinary action, up to and including expulsion from Ohio University.

All Ohio University students who have been convicted of a felony must complete a review process. This process is deferred for students participating through the Correctional Education program during the period of incarceration only. Correctional Education students who wish to continue enrollment after being released must submit a re-enrollment form to the Registrar's Office and complete the required felony review process through the Office of Legal Affairs. This review process will determine a student's post-release enrollment options, including on-campus, online, and/or print-based enrollment. Most Correctional Education students are able to continue enrollment through one or more of these options. However, eligibility for enrollment at Ohio University through the Correctional Education program does not guarantee eligibility for other forms of enrollment after incarceration; in extreme and rare cases, a Correctional Education student may be prohibited from continuing enrollment at OHIO after release.
