Corrections Information

All Ohio University students who have been convicted of a felony must complete a review process. This process is deferred for students participating through the Correctional Education program during the period of incarceration only. Correctional Education students who wish to continue enrollment after being released must submit a re-enrollment form to the Registrar's Office and complete the required felony review process through the Office of Legal Affairs. This review process will determine a student's post-release enrollment options, including on-campus, online, and/or print-based enrollment. Most Correctional Education students are able to continue enrollment through one or more of these options. However, eligibility for enrollment at Ohio University through the Correctional Education program does not guarantee eligibility for other forms of enrollment after incarceration; in extreme and rare cases, a Correctional Education student may be prohibited from continuing enrollment at OHIO after release.
