Scholarships and Financial Aid

Financial Aid for U.S. Citizens and Permanent Residents

Ohio University participates in all federal and state financial aid programs, which require U.S. citizenship or permanent residency status for consideration. The Free Application for Federal Student Aid (FAFSA) is required for need-based financial aid and need-based scholarship consideration. OHIO's school code for the FAFSA is 003100. Visit ohio.edu/financial-aid or call 740.593.4141 for more information.

Freshman Scholarship Information

Complete applications (all required materials received by the deadline) by November 15, 2022, will receive priority consideration for direct entry to academic programs and merit scholarship programs.

Eligibility is based on high school GPA (weighted or unweighted); ACT or SAT scores (if applicable; students who do not submit a test score **will** be eligible for scholarship consideration); contributions made to the academic, demographic or geographic diversity of the Ohio University community; and financial need as determined by the FAFSA. Additional information can be found at: ohio.edu/ohio-excellence-awards.

No separate form is required for consideration for OHIO merit-based academic scholarships; however, some awards have a need-based component. OHIO must receive your FAFSA results by January 15, 2023, for priority consideration for these need-based awards. The Office of Student Financial Aid and Scholarships will notify students who are eligible.

Campus Visits

Up-to-date information about virtual visit opportunities and in-person visits and events is available on the Undergraduate Admissions website. Online or in-person information sessions, appointments with advisors and tours are available Monday through Friday and most Saturdays throughout the year. Visitors can schedule online at ohio.edu/admissions/visit or by calling 740.593.4100.

Freshman Applicants

To be competitive for admission, students must complete secondary school in a college-preparatory program and receive grades equivalent to a “B” (very good) or better in most of their high school coursework. Applications are reviewed individually to provide a careful evaluation of academic preparation.

Visit ohio.edu/admissions/freshman/selective-programs to view guidelines used to evaluate first-year applicants to more selective academic programs.

Freshman Deadlines

Fall Early Action Deadline*	November 15
Fall Rolling Admission Deadline	February 1
Spring Rolling Admission Deadline	December 1
Summer Rolling Admission Deadline**	February 1

*Complete applications (all required materials received by the deadline) will receive priority consideration for direct entry to academic programs, merit scholarship programs and University honors experiences.

**In most cases, freshmen applying from high school will not be considered for direct admission to the summer term. Please note that entering in summer prevents freshmen from fully participating in Bobcat Student Orientation, disqualifies them from consideration for most scholarships and may affect the financial aid award offer.

Admissions Tests

Ohio University has adopted a test-optional pathway for admission to the Athens campus for freshman applicants. Freshman applicants may opt to submit ACT or SAT scores or they may apply without submitting test scores. Students should indicate whether or not they plan to apply test-optional in the “standardized tests” section of the application.

Undergraduate Admissions takes a holistic approach to reviewing every application for admission, and applying test-optional will not have a negative impact on students’ admission decision. Test-optional students are eligible to be considered for all University benefits, including merit scholarships, need-based financial assistance and honors and scholars programs. To learn more about OHIO’s test optional pathway, visit ohio.edu/admissions/apply/test-optional.

For students who choose to submit test scores, the composite score of the ACT or the combined math and evidence-based reading and writing scores on the SAT will be considered. Undergraduate Admissions will consider both new and old SAT scores. While we continue to superscore (combine subscores from multiple test dates) across the same version of the SAT, we will not superscore between the new SAT and old SAT. ACT writing and SAT essay scores are not considered in the review process for scholarships. Ohio University requires that scores be sent directly from the testing agency. Ohio University’s ACT code is 3314, and our SAT code is 1593.

Essay

Applicants who have been out of high school for more than one year must submit an essay detailing activities since graduation.

Applicants to the E.W. Scripps School of Journalism are encouraged, though not required, to submit an essay detailing how they want to help shape the future of journalism.

Applicants to the College of Business are strongly encouraged to submit an essay describing how their academic, extracurricular, community service or work experience has shaped and prepared them to succeed in OHIO’s College of Business.

Applicants to the Honors Tutorial College (HTC) should submit the essay questions as outlined on the HTC supplement.

For all other applicants, the essay is optional. If an applicant chooses to submit an optional essay, potential topics could include describing any academic challenges the applicant has faced, the applicant’s academic and career objectives or the applicant’s involvement in community affairs. Recommended length is 250-500 words.

Other Optional Application Materials

Applicants may choose to submit additional application materials with the application form. Optional application materials could include teacher or counselor recommendations; lists of extra-curricular activities or employment; and/or descriptions of honors, awards and achievements. The applicant’s full name should be clearly displayed on any supplemental documentation.

An applicant may also enter University College as an undecided student or select another major for which they may qualify. Application Process

Applicants who wish to be considered for honors and scholars programs must opt in to consideration by selecting the honors and scholars box on the application form (page 6). Please note that eligible selected students may be asked to complete a separate supplemental application after they have submitted the Common Application. Most successful candidates submit: (1) a list of extra-curricular activities, (2) one essay (either a Common Application essay prompt, which can be found at commonapp.org/apply/essay-prompts; OHIO's essay prompt; or the essays for the Honors Tutorial College academic programs), and (3) at least one letter of recommendation. Some honors and scholars programs require interviews, and eligible students will be invited to participate.

Honors Tutorial College

The Honors Tutorial College (HTC) offers a nationally distinctive undergraduate education based on the British tutorial model developed at Oxford and Cambridge universities. Tutorials consist of courses taught either one-on-one with a student and a professor or a very small seminar consisting of several HTC students and a professor. In general, HTC students take one tutorial per academic semester along with a mix of traditional courses. An education grounded in this approach provides for exceptional faculty mentoring, heightened intellectual development and experiential learning opportunities. Success in a tutorial program also requires a high degree of maturity, self-motivation and curiosity. To learn more about HTC, applicants should visit ohio.edu/honors/tutorial-college.

Application Process

HTC has an application submission deadline of November 15, 2022, for all materials. On the Ohio University application form, be sure to check the box indicating that you are applying to the Honors Tutorial College and use the major codes specifically designated for HTC degree programs. The college is highly selective, typically enrolling fewer than 100 students each year across all of its programs of study. For best consideration, applicants should follow the honors and scholars programs application instructions above and answer the following two HTC questions. Recommended length is 500 words each.

HTC Question 1: *Please explain why you have chosen your particular program of study.*

HTC Question 2: *We expect that one reason you seek a tutorial education is for the one-on-one interaction with faculty, but other than that, what interests you about pursuing a tutorial-based undergraduate education? What aspects of your education and life experience have prepared you for a tutorial education with its emphasis on research and creative activity?*

Complete applications received by November 15 will be reviewed by Undergraduate Admissions and HTC to determine whether the application will be forwarded to the Director(s) of Studies (faculty members responsible for administering each program of study) for further review. After November 15, 2022, Directors of Studies will select candidates for required interviews. Because of the nature of a tutorial education, an interview with Directors of Studies and faculty tutors is required. Interviewees who are not offered admission to an HTC program will automatically be reviewed for admission to the appropriate OHIO college.

Recommended Additional Admission Material

To provide better insight into their abilities, HTC applicants are strongly encouraged to submit the optional materials below. Applicants who do not submit additional materials by November 15 may be contacted and asked to submit them at a later date. Applicants should not send original artwork or other "one-of-a-kind" materials. Because of the number of applications received, it will not be possible to return materials. Unless noted otherwise, materials should be emailed to admissions@ohio.edu.
