### RN to BSN Online Program Pathway

The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a Bachelor of Science in Nursing (BSN). We realize that nurses juggle multiple demands — career, family and classes — and carving out time to drive to campus and sit for a lecture can be a challenge. The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

- Start your RN to BSN courses regardless of how many prerequisites you have completed.
  - Review study materials and submit assignments online.
  - Learn from distinguished professors while having the daily support of an academic coach.
  - Complete each nursing course in only 5 weeks using our media-rich online learning system.
- 

### Admission Requirements

- Applicants must be a graduate of an approved program (or its equivalent) that prepares individuals to sit for the registered nurse licensing exam (NCLEX-RN) and be a resident of one of the Ohio University authorized states. Check undergraduate admissions website or call the School of Nursing for a list of current approved states.
- Students must have completed the equivalent of ENG 1510 to be admitted to the major. Otherwise, students will be reviewed for the pre-major
- Combined 2.0 GPA from all prior college-level coursework.
