

French Major

The curriculum outlined here is a semester-by-semester plan of study for the BA in French (BA5221), in adherence to section 3333.71 of the Revised Code for the three-year baccalaureate degrees.

The estimated number of hours transferred or taken as AP is set at 15. Please note these are just examples. The actual slate of courses would be dependent upon what courses for which a student actually has previous credit. Students with additional AP credits would be allowed to count them (as appropriate) to the 3-year degree pathway. A student should work closely with an advisor to design a plan that is specific for him/her and whose courses are taken appropriately to complete the plan in the desired time frame.

The student should also be aware that trade-offs are inherent in the decision to complete a degree in three years. A student on a three-year track must stay focused on the curriculum and may not be able to explore educational alternatives or change programs or majors. S/he may also not be able to participate in study abroad programs, internships, student clubs or government, or service learning opportunities. The student should keep in mind that for the French major, a study abroad program is highly recommended. This has not been included in this template, but could be incorporated with the guidance of an advisor.

The scheduling scenario below is intended to present an example pattern by which this major can be completed in three years. Those interested in pursuing this option need to work with an academic advisor to develop a specific plan to earn the 125 credit hours required for graduation.

French Major

Semester 1: Fall

Course Subject and Title (Or General Tier/Major Requirement)	Credit Hours	Upper Division	Minimum Grade
FR 3110 Composition & Conversation	3		
Tier II Fine Arts	3		
Tier II Arts & Sciences Humanities	3		
Tier II Arts & Sciences Social Sciences	3		
Elective	3		
Total hours for semester	15
