

## Hocking College – Ohio University Plan

---

### Bachelor of Arts in Psychology Online Program Pathway

The Online Bachelor of Arts in Psychology at Ohio University is designed for students who have completed an Associate's degree and wish to further their education. You will have access to the highest quality instructors and courses to prepare you for your next step in life. Whether that is promotion in a current career, exploration of a new career field, achievement of a life-long goal to earn a university degree, or even just a better understanding of people and their behavior, our program is designed to help you achieve your goals.

If you are interested in securing a job in a psychology-related field, with this bachelor's degree you will be prepared to seek a career in areas such as:

- Human services (counseling, crisis work, performance enhancement)
- Business (personnel, sales, advertising/marketing, public relations, consumer research, customer service)
- Health services (public health, health prevention programs, prevention research)

While completing the online B.A. in psychology, you will explore the field of psychology, gain valuable experience with a diverse online student body, develop relationships with faculty, and participate in practical field experience that will enhance your knowledge of psychology. You will be encouraged to explore service activities and can explore opportunities to participate in psychological research.
