

Kentucky Community and Technical College System – OHIO University Plan

Bachelor of Science in Business Online Program Pathway

The Bachelor of Science in Business is a fully online, accredited bachelor's degree in business. The program provides students with knowledge, skills, and dispositions necessary for advancement in business. The program is available to first-year students, students who have completed a two-years associate degree program (90 or more quarter hours or 60 or more semester hours) from an accredited community college, regional campus, or technical college, and students who seek to further their educations by completing the requirements for a baccalaureate degree. This program provides students with the knowledge, skills, and disposition necessary for advancement in their chosen business career. The fundamental objective of the program is to provide the business skills and values necessary for success in the complex business environment.

Online Convenience. OHIO University Quality.

- Review study materials and submit assignments online.
 - Learn from distinguished professors.
 - Progress through the degree in consultation with an OHIO University academic advisor.
 - Qualify for an immediate career in business or for entry into a Master of Business Administration (M.B.A.) program.
-

Admission Requirements

- No additional requirements beyond OHIO University admission requirements for freshman or transfer admission.
- Transfer applicants must have a cumulative grade-point average of 2.0 or higher from all institutions previously attended to be considered for admission.
- Official transcripts sent directly to OHIO University from all colleges and universities you have attended. If you have completed fewer than 20 semester hours or 30 quarter hours of university or college coursework, you must also submit your high school transcript for evaluation.

Disclaimer:

The information in this guide is based on the catalog requirements posted in the 2023-2024 OHIO University catalog and related Kentucky Community and Technical College System equivalents as of the Last Updated date. All information is subject to change without notice. Students must complete a minimum of 120 total semester hours, are responsible for tracking their degree completion on their DARS and are encouraged to work with an OHIO University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options.
