

Kentucky Community and Technical College System – OHIO University Plan

Bachelor of Science in Psychology Online Program Pathway

Explore the field of psychology and participate in practical field experience in the fully online Bachelor of Science in Psychology, offered by the College of Arts and Sciences. You will gain valuable experience with a diverse online student body and develop relationships with faculty. This degree prepares students to seek a career in areas such as: human services (counseling, crisis work, performance enhancement), business (personnel, sales, advertising/marketing, public relations, consumer research, customer service), and health services (public health, health prevention programs, prevention research).

Online Convenience. OHIO University Quality.

- Review study materials and submit assignments online.
 - Learn from distinguished professors.
 - Progress through the degree in consultation with an OHIO University academic advisor.
 - Engage in active learning and peer discussion.
-

Admission Requirements

- No additional requirements beyond University admission requirements for freshman or transfer admission.
- Transfer applicants must have a cumulative grade-point average of 2.0 or higher from all institutions previously attended to be considered for admission.
- Official transcripts sent directly to OHIO University from all colleges and universities you have attended. If you have completed fewer than 20 semester hours or 30 quarter hours of university or college coursework, you must also submit your high school transcript for evaluation.

Disclaimer:

The information in this guide is based on the catalog requirements posted in the 2023-2024 OHIO University catalog and related Kentucky Community and Technical College System equivalents as of the Last Updated date. All information is subject to change without notice. Students must complete a minimum of 120 total semester hours, are responsible for tracking their degree completion on their DARS and are encouraged to work with an OHIO University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options.
