

## Kentucky Community and Technical College System – OHIO University Plan

## Bachelor of Technical & Applied Studies Online Program Pathway

The student may formally enter the Bachelor of Technical and Applied Studies (BTAS) program after completing 60 credits within a specified major or field of study. The BTAS is designed to complement previous coursework and experiences by studying the theory and practices that lead to organizational effectiveness. An overview of leadership, the use and function of work groups and teams, and why diversity benefits the organization are applied in the classroom and in a capstone experience. Students are able to customize their BTAS degree with a certificate, minor, or selected electives to complement their background, or employer/career interests without taking additional credits. The BTAS builds upon the technical skills developed within associate degree programs by providing the knowledge and professional skills that employers seek and are necessary for career advancement.
