Marion Technical College – Ohio University Plan

RN to BSN Online Program Pathway

The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a Bachelor of Science in Nursing (BSN). We realize that nurses juggle multiple demands — career, family and classes — and carving out time to drive to campus and sit for a lecture can be a challenge. The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

Online Convenience. Ohio University Quality.
• Start your RN to BSN courses regardless of how many prerequisites you have completed.
• Review study materials and submit assignments online.
• Learn from distinguished professors while having the daily support of an academic coach.
• Complete each nursing course in only 5 weeks using our media-rich online learning system.

Admission Requirements
• Applicants must be a graduate of an approved program (or its equivalent) that prepares individuals to sit for the registered nurse licensing exam (NCLEX-RN) and be a resident of one of the Ohio University authorized states. Check undergraduate admissions website or call the School of Nursing for a list of current approved states.
• Students must have completed the equivalent of ENG 1510 to be admitted to the major. Otherwise, students will be reviewed for the pre-major.
• Combined 2.0 gpa from all prior college-level coursework.
• Official transcripts sent directly to Ohio University from all colleges and universities you have attended.

Application Information
Apply online ($25 non-refundable application fee due at application)

The information on this guide is based off of the catalog requirements posted in the 2018-2019 Ohio University catalog and related Marion Technical College equivalents as of the Last Updated date. All information is subject to change without notice. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with CPM/Advisor to discuss course selection based on offered options.
