We consider the following criteria: strength of curriculum, performance in curriculum, class rank, grade-point average, and ACT and/or SAT scores (if provided).

Ohio University offers a test-optional pathway for admission to the Athens campus. Learn more at ohio.edu/admissions/apply/test-optional. If you choose to submit SAT (school code 1593) or ACT (school code 3314) scores, they must be submitted directly from the testing agency or from your high school.

Ohio University is a member of The Common Application, which opens annually in August at commonapp.org. Learn more at ohio.edu/admissions/apply.
