

## Rio Grande Community College– Ohio University Plan

### Ohio University BRICKS General Education Requirements

#### Ohio University BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone.

#### BRICKS and the Ohio Transfer 36 or Prior Degree Completion

Students who complete the minimum requirements of the Ohio Transfer 36 (OT36, formerly the Ohio Transfer Module), an Associate of Arts (AA), Associate of Science (AS), or bachelor's degree from an accredited institution\* prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University's BRICKS general education requirements in Foundations (excluding the Advanced Writing component, which requires completion of an equivalent course), Pillars, and Arches. Students who have not completed the OT36 or an approved degree will have their courses evaluated individually to determine appropriate general education requirement fulfillment. \*Institutions must be accredited by regional accrediting commissions recognized by the Council on Higher Education Accreditation (CHEA) to qualify.

Individual courses completed that meet state guaranteed equivalences for the OT36, yet have no course equivalency at Ohio University will transfer to meet select requirements for Ohio University's BRICKS as follows:

Ohio Transfer 36 Category	BRICKS Category	BRICKS Component
TME 001 First Writing	Foundations	Written Communication
