## Sinclair Community College – OHIO University Plan

---

### Interior Architecture Pathway

Ohio University's [Interior Architecture](#) major provides a human-centered learning experience that enables you to work in residential or non-residential interior design. You will learn to solve interior space challenges with faculty who have real-world experience from nearly every segment of the field. The industry software technology-based curriculum provides students with a range of creative opportunities and a foundation of skills to explore the world of design.

#### **Online Convenience. Ohio University Quality.**

Harnessing technology and leveraging the idea of the virtual studio, Interior Architecture major responds to the realities of 21st-century professional practice and prepares graduates for careers in interior design which are increasingly international in their reach and honors the tradition that design draws inspiration from ideas and materials that originate from around the globe.
