

## Sinclair Community College – Ohio University Plan

---

### Organizational Studies Online Program Pathway

The Organizational Studies program pathway is designed to complement a student's previous coursework in a particular field of study or the attainment of an associate degree by studying the theory and practices that lead to organizational effectiveness. An overview of leadership principles, the use and function of work groups and teams, and why diversity benefits the organization are applied in the classroom and in a capstone experience. Students can customize their degree with a certificate, minor, or selected electives to complement their background, or employer/career interests without taking additional credits. The Organizational Studies Online Program builds upon the technical skills developed within associate degree programs and/or the first two years of collegiate work and/or experiences gained during employment by providing the knowledge and ability to apply the professional skills that employers seek and are necessary for career advancement.

The Organizational Studies Online Program is a completion degree designed to follow an associate degree or the attainment of 60 credits. If needed, a student can either complete an associate degree at Ohio University or complete 60 credits. The student may formally enter the Organizational Studies Online Program after completing 60 credits with a minimum grade point average of 2.0 or above.
