College of Business Accounting Major

The scheduling scenario below is intended to present an example pattern by which this major can be completed in three years. Those interested in pursuing this option need to work with an academic advisor to develop a specific plan to earn the 128 credit hours required for graduation.

BB 6121

\(^i\) ANTH 101 also counts for the Cross Cultural Perspectives Tier II requirement.
\(^ii\) Need one General Education course in each of the three areas: Natural Science and Mathematics, Fine Arts, and cross Cultural Perspectives. Also need 2-4 non-business electives to graduate. Once these areas are met, this slot can be any course.
\(^iii\) To reach 128 hours, a one hour recreation course can be taken in any semester.
\(^iv\) An alternative sequence involving an internship in the third summer
\(^v\) This is a study abroad experience that requires additional fees. It fulfills the internship requirement.
\(^vi\) The third summer semester could be eliminated if a sixth course is taken in two of the earlier semesters.
Since the internship prevents attendance, this final class will need to be online or added to a previous semester as a sixth class.
