Visit www.ohio.edu/financialaid or call 740.593.4141 for more information.

Freshman Scholarship Information

Eligibility is based on high school GPA (weighted or unweighted); ACT or SAT (if applicable; students who do not submit a test score will be eligible for scholarship consideration); contributions made to the academic, demographic, or geographic diversity of the Ohio University community; and financial need as determined by the FAFSA. Additional information can be found at: www.ohio.edu/signature.

No separate form is required for consideration for OHIO merit-based academic scholarships; however, some awards have a need-based component. OHIO must receive your FAFSA results by January 15, 2021 for priority consideration for these need-based awards. The Office of Student Financial Aid and Scholarships will notify students who are eligible.

Freshman Applicants

To be competitive for admission, students must complete secondary school in a college-preparatory program and receive grades equivalent to a “B” (very good) or better in most of their high school coursework. Applications are reviewed individually to provide a careful evaluation of academic preparation. Visit www.ohio.edu/admissions/freshman/selective-programs to view guidelines used to evaluate first-year applicants to more selective academic programs.

Freshman Deadlines

| | |
|-------------------------------------|-------------|
| Fall Early Action Deadline* | November 15 |
| Fall Rolling Admission Deadline | February 1 |
| Spring Rolling Admission Deadline | December 1 |
| Summer Rolling Admission Deadline** | February 1 |

*Complete applicants (all required materials received by the deadline) will receive priority consideration for direct entry to academic programs, merit scholarship programs, and University honors experiences. Because November 15, 2020 is a Sunday, Undergraduate Admissions will honor all completed applications received through Monday, November 16, 2020 as having met the early action deadline.

**In most cases, freshmen applying from high school will not be considered for direct admission to the summer term. Please note that entering in summer prevents freshmen from fully participating in Bobcat Student Orientation, disqualifies them from consideration for most scholarships, and may affect the financial aid award offer.

Admissions Tests

Ohio University has adopted a test-optional pathway for admission to the Athens campus for freshman applicants. Freshman applicants may opt to submit ACT or SAT scores or they may apply without submitting test scores. Students should indicate whether or not they plan to apply test-optional in the “standardized tests” section of the application.

Undergraduate Admissions takes a holistic approach to reviewing every application for admission, and applying test-optional will not have a negative impact on students’ admission decision. Test-optional students are eligible to be considered for all University benefits, including merit scholarships, need-based financial assistance, and honors and scholars programs. To learn more about OHIO’s test optional pathway, visit www.ohio.edu/admissions/apply/test-optional.

For students who choose to submit test scores, the composite score of the ACT or the combined math and evidence-based reading and writing scores on the SAT will be considered. Undergraduate Admissions will consider both new SAT and old SAT scores. While we continue to superscore (combine subscores from multiple test dates) across the same version of the SAT, we will not superscore between the new SAT and old SAT. ACT writing and SAT essay scores are not considered in the review process for scholarships. Ohio University requires that scores be sent directly from the testing agency. Ohio University’s ACT code is 3314, and our SAT code is 1593.

Essay

Applicants who have been out of high school for more than one year must submit an essay detailing activities since graduation.

Applicants to the E.W. Scripps School of Journalism are encouraged, though not required, to submit an essay detailing how they want to help shape the future of journalism.

Applicants to the Honors Tutorial College (HTC) are strongly encouraged to submit the essay questions as outlined on the HTC supplement.

For all other applicants, the essay is optional. Recommended length is 250-500 words.

Other Optional Application Materials

Applicants may choose to submit additional application materials with the application form. Optional application materials could include teacher or counselor recommendations; lists of extra-curricular activities or employment; and/or descriptions of honors, awards, and achievements. Honors Tutorial College

The Honors Tutorial College (HTC) offers a nationally distinctive undergraduate education based on the British tutorial model developed at Oxford and Cambridge universities. Tutorials consist of courses taught either one-on-one with a student and a professor or a very small seminar consisting of several HTC students and a professor. In general, HTC students take one tutorial per academic semester along with a mix of traditional courses. An education grounded in this approach provides for exceptional faculty mentoring, heightened intellectual development, and experiential learning opportunities. Success in a tutorial program also requires a high degree of maturity, self-motivation, and curiosity. To learn more about HTC, applicants should visit www.ohio.edu/honors.

Application Process

HTC has an application submission deadline of November 15, 2020 for all materials. On the Ohio University application form, be sure to check the box indicating that you are applying to the Honors Tutorial College and use the major codes specifically designated for HTC degree programs. The College is highly selective, typically enrolling only 75 students each year across all of its programs of study. For best consideration, applicants should follow the OHP application instructions above and answer the following two HTC questions, resulting in at least three essay submissions. Complete the following two Honors Tutorial questions for each Honors Tutorial major you selected. Recommended length is 500 words each.

HTC Question 1: *Please explain why you have chosen your particular program of study.*

HTC Question 2: *We expect that one reason you seek a tutorial education is for the one-on-one interaction with faculty, but other than that, what interests you about pursuing a tutorial-based undergraduate education? What aspects of your education and life experience have prepared you for a tutorial education with its emphasis on research and creative activity?*

Complete applications received by November 15 will be reviewed by Undergraduate Admissions and HTC to determine whether the application will be forwarded to the Director(s) of Studies (faculty members responsible for administering each program of study) for further review. After November 15, 2020, Directors of Studies will select candidates for required interviews. Applicants who do not receive an invitation to interview for an HTC program automatically will be reviewed for admission to the appropriate OHIO college. Because of the nature of a tutorial education, an interview with Directors of Studies and faculty tutors is required. Interviews are typically scheduled for late January and early February. Interviewees who are not offered admission to an HTC program will automatically be reviewed for admission to the appropriate OHIO college.

Recommended Additional Admission Material

To provide better insight into their abilities, HTC applicants are strongly encouraged to submit the optional materials below. Applicants who do not submit additional materials by November 15 may be contacted and asked to submit them at a later date. Applicants should not send original artwork or other "one-of-a-kind" materials. Because of the number of applications received, it will not be possible to return materials. Unless noted otherwise, materials should be emailed to admissions@ohio.edu.
