\*\*Zane State BIOL 1210 equivalent at OHIO is BIOS 1700 / 1705, which can substitute for BIOL 1010 for Teacher Education students at OHIO.

## Notice:

The high school graduation requirements listed in column HS REQS are not official and are meant for planning purposes only. The responsibility for determining whether a college course satisfies a high school graduation requirement rests with the student's school district. Students should consult with their school counselor before finalizing their college course schedule. Transfer options listed for Maysville High School partner institutions are based on availability at Maysville High School and state transfer policies. Not all courses listed are guaranteed to be offered on all of Ohio University's campuses or available online every semester. Please plan ahead by working with your academic advisor to create a schedule based on available course offerings.

Admission to CC+ does not guarantee availability of or admission to specific courses. In accordance with the Ohio Revised Code, Ohio University must take care to give registration priority to its degree-seeking students while attempting to provide CC+ students with reasonable class choices. Therefore, it is strongly recommended that students fulfill graduation requirements at their high school. However, once a CC+ student has officially registered for a course they will not be displaced. Participants in the CC+ program are encouraged to work closely with their college advisor and high school counselors to assure that they are taking the proper courses, including those necessary for high school graduation credit.

Ohio University Teacher Candidacy: (see *Ohio University Undergraduate Catalog* for full details)

Completion of these courses does not guarantee admission into Teacher Education. Students must meet all the admission requirements for Teacher Candidacy to be considered for program admission. Students should apply in the spring for program admission in the fall.

- Students must have earned at least 30 semester hours and a college GPA of 3.0 or higher to be considered for admission to Teacher Candidacy.
- Students must achieve a grade of "C" or better in **all** prerequisite and support courses.
- Students must submit Praxis Core, ACT, or SAT scores.
- Students must complete BCI and FBI background checks.
- Students may be required to submit Tuberculosis Test results.
