Dear Alumni and Friends,

Elude the depths of winter in the idyllic Windward Islands, a remote archipelago of dynamic volcanic peaks, lush gardens and white-sand beaches in the southern Caribbean. Experience seafaring in its most timeless form—beneath 16,000 square feet of billowing white sails aboard the exclusively chartered Le PONANT—during this exceptional opportunity, calling at historic towns and picturesque islands favored by yachtsmen for hundreds of years.

The intimate, deluxe motor yacht Le PONANT, featuring only 32 ocean-view Staterooms, is able to call in smaller ports and secluded bays that are completely inaccessible to larger ships—making this the best way to see the real Caribbean. The idyllic tropical breezes this time of year compel the seasoned crew to unfurl three-masted sails amid the turquoise waters and balmy temperatures. Enjoy a refined yet casual lifestyle on board and revel in the sublime charm of island life.

This custom-designed itinerary spans the boundlessly lush natural landscapes of the Windward Islands from Barbados to Martinique to Grenada. Visit St. Vincent, which boasts the oldest botanic garden in the Western Hemisphere, and travel amid waving coconut palms alongside the Caribbean Sea on the most captivating isle of the Grenadines, Bequia. Be on deck as you approach St. Lucia for a stunning panorama of the Gros and Petit Pitons, twin mountain peaks and a UNESCO World Heritage site, and see the island’s geothermal activity in volcanic Sulphur Springs. Snorkel amid the intricate reefs blooming with marine life in the lagoons of Tobago Cays Marine Park, Mayreau and Union Island; and delve into the history of Grenada, where the scent of spices permeates the air. Learn about the enduring West African, Creole, Arawak and Carib heritages and their colonial influences, unique to each island and historic city.

Escape to the warm temperatures and alluring ports of the pristine southern Caribbean by intimate sailing ship; this quintessential cruise around the Windward Islands is an excellent value and a special small group experience to be shared with those who, too, love the lure of the sea. Book now, while space and Early Booking Savings are available.

Sincerely,

Your Ohio University Alumni Travel Team
In 1493, while pursuing the ever-elusive route to the gold and spices of the East Indies, Christopher Columbus encountered the sun-drenched shores of an archipelago abundant with lush tropical rainforests and the fresh breeze of the cooling trade winds. Recapture the spirit of this long-ago era aboard your exclusively chartered small ship. Watch the sails unfurl to harness favorable winds and carry you toward the unspoiled, secluded havens of the Windward Islands. Each of these tropical ports, which alternated between rivalrous British and French rule, today holds its own local heritage and natural treasures.

**Barbados**
Commence your Caribbean cruise in UNESCO World Heritage-designated Bridgetown. Originally inhabited by Arawaks, stunning Barbados was the first landing spot for many Spanish and Portuguese explorers, who named it Los Barbados—“the bearded ones”—for the unusual bearded fig trees.

**St. Vincent**
Walk through the largest botanical gardens in the Western Hemisphere, populated with trees from around the world and the endangered St. Vincent parrot. Enjoy sweeping vistas of the Caribbean Sea and the capital city of Kingstown from the early-19th-century ruins of Fort Charlotte, built atop a steep promontory. Known as the “City of Arches,” Kingstown is replete with historic architecture, including the 19th-century cathedrals of St. George and St. Mary.

**The Grenadines**
Sail to lush Bequia, the largest of the Grenadines at just seven square miles and arguably the most beautiful. Although Amerindians from South America first inhabited Bequia, it was the Caribs who named it the “Island of Clouds.” Enjoy spectacular views of yacht-filled Admiralty Bay from the remains of 18th-century Hamilton Fort.
Visit the Old Hegg Turtle Sanctuary, dedicated to raising and safely releasing endangered hawksbill sea turtles.

Spend time swimming and snorkeling in Saline Bay, Mayreau, where iridescent blue waves wash peaceful shores, and savor a seaside barbecue lunch.

An ideal snorkeling retreat shielded from the sea by Horseshoe Reef, Tobago Cays Marine Park is an underwater gallery of colorful sponges, conchs, sea turtles and reef fish.

Dramatic volcanic peaks juxtapose the shallow coral reef in Chatham Bay, Union Island. Snorkel in turquoise waters flourishing with marine life. Gather on deck for a barbecue dinner under a bright blanket of stars (weather permitting).

**Martinique**
The most heavily French-influenced of all the Caribbean Basin, Martinique celebrates its Creole heritage amid paradisical scenery. In Fort-de-France, see the varied architectural styles of its historic buildings blending harmoniously with the landscape, including the elaborate Romanesque Schoelcher Library. Admire the verdant Pitons du Carbet from the Sacré Coeur de Balata, a reduced replica of Paris’s Basilica of Montmartre.

Mineral deposits in Soufrière cause Diamond Falls to be the most colorful waterfall in the Caribbean.

From the veranda of a Creole farmhouse in the famous Balata Gardens, watch effervescent hummingbirds feed on sweet nectar. Then, wind through a shaded canopy of trees, including twining begonias, mahogany, musa nana and bamboo, and around the 3000 varieties of its tropical plants. In the St. Pierre Volcanological Museum, see artifacts excavated from the petrified ash of Mount Pelée.

Later, admire typical Creole architecture amid vast sugarcane fields at the Clément Plantation, a French historical landmark and producer of Clément rum for more than 125 years. Tour the former distillery and see galleries that highlight local Caribbean artists and Creole heritage. Stop in the manor house, notable as the site of the 1991 post-Gulf War meeting between

St. Lucia
The view of St. Lucia’s twin volcanic peaks—the Gros Piton and Petit Piton, together a UNESCO World Heritage site—is majestic and unmistakable. In Soufrière, wander a canopied haven of vivid flora in Diamond Falls Botanical Gardens, cultivated since the 18th century, when mineral baths were crafted over steaming springs for King Louis XVI’s Frenchmen, past rocks tinted yellow, green and purple from the falls’ mineral-rich waters.

At Sulphur Springs, witness firsthand ongoing geological activity in the dormant crater of Soufrière Volcano.

Encircled by thickly forested hilltops, crisp-blue Marigot Bay is a naturally formed shelter and long-time sailor hideaway. Enjoy an afternoon at leisure on the secluded beach in this sublime respite, where an alluring variety of luxurious vessels routinely anchor.

Grenada
Best known as the “Spice Island,” this volcanic isle enjoys cool breezes perfumed with fragrant exports—salt air swirled with nutmeg, cinnamon, cloves, mace, allspice, wild coffee and organic cocoa. First controlled by the French in the early 17th century, Grenada was a British colony for nearly two centuries before achieving independence in 1974; however, distinctive French influences remain in surnames, dialect and spicy dishes, much like New Orleans Creole.

See historic landmarks in the picturesque capital, St. George’s, including the cannons and defensive tunnels of Fort George. Enjoy panoramic views of the Carenage, a scenic waterfront dotted with colorful fishing boats and Georgian buildings. Walk among cinnamon, clove and bay trees in an herb and spice garden, where ginger, pepper and turmeric also grow, and learn about rare botanicals, such as zebarique and jump-up-and-kiss-me, used in cooking, medicines and liqueurs.

Visit Grenada’s largest rum distillery and savor regional, impeccably aged rum. Later, stroll the quintessential white-sand shores of Grand Anse Beach at your leisure.

Island fishermen ready their nets for catching some of the most popular fresh fish in the Caribbean.

French President François Mitterand and U.S. President George H. W. Bush.

The Beauty of Barbados
Pre-Cruise Option
The ideal complement to your cruise, tropical Barbados celebrates a thriving geographical and cultural landscape. Spend two nights in the deluxe Hilton Barbados.

Sojourn on the “Spice Island” Post-Cruise Option
Savor life in the Caribbean with two nights in handsome St. George’s, Grenada. Caribbean tales call to mind elusive treasure maps, resonant cannon blasts and the locally produced beverage of choice, rum. The history of these islands, while owing much to colonial and native influences, would be incomplete without a mention of those fearsome swashbucklers of legend—pirates.

From 1650 to 1720, thousands of these seafaring robbers, also known as buccaneers, targeted merchant ships and coastal towns. Notorious among them were Calico Jack, Henry Morgan and Captain Kidd, but perhaps most legendary of all was Edward Teach, better known as Blackbeard.

In 1717, Blackbeard famously captured the French slave ship *La Concorde* off the coast of Martinique, abandoned its crew and captive passengers ashore on Bequia and robbed them of their gold. Blackbeard renamed the ship *Queen Anne’s Revenge* and set sail, plundering the Caribbean and the southern Atlantic colonies and commandeering ships for his fleet. He grew quickly in infamy, tucking smoldering ropes into his wild hair and beard to intimidate his enemies with an air of supernatural terror, according to legend. Barely a year later, however, Blackbeard battled Royal Navy Lieutenant Robert Maynard, commissioned by the Crown governor of colonial Virginia, and fell in defeat, ending his notorious yet riveting swashbuckling days.

The 18th-century cannons at Bequia’s hilltop Hamilton Fort evoke the Caribbean’s maritime legends and history.
