Billing and Cancellation
If a student chooses not to attend Ohio University, the student must cancel his/her registration before the first day of classes to receive a 100% refund of fees. Cancellation of registration is defined as dropping all classes before the first day of classes. Students may do this by accessing My OHIO Student Center prior to the first day of classes. Withdrawal from the University is defined as dropping all classes on or after the first day of classes. This means all regular Ohio University classes in which the student is registered, whether on one campus or multiple campuses. The student must go to the student services office in his/her college office to initiate the withdrawal process.

Students can log into their My OHIO Student Center at any time to view account details and due dates. Students can set up Authorized Users to access their account and assist with financial matters. Authorized User setup instructions can be found on the Bursar website at www.ohio.edu/bursar.
Bobcat Cash
Bobcat Cash may be purchased at the Cashier’s window on the ground floor of Chubb Hall when paying with cash or check. Bobcat Cash may also be purchased online via the ‘Make a Payment’ link found in the My OHIO Student Center or through the Authorized User login. The minimum starting balance is $50.00 and new accounts may be established during opening weekend or thereafter. The student’s OU ID card is programmed with personal data and identifies the student’s Bobcat Cash balance and meal plan selection. This ID is used for dining access and on-campus Bobcat Cash spending. Remaining balances roll over from term to term and year to year, as long as the individual remains enrolled as a student.

Identification Cards
All students are required to have an Ohio University ID card. Registration for classes validates the card to services on campus such as Campus Care, Alden Library, and Ping Recreation Center. Residence Hall Check-In
Students moving into East and West Green residence halls will check-in to their own building. Once there, each student will receive their keys and complete a Room Condition Report (RCR). In an emergency situation that requires a move-in after 10:00p.m., contact the Ohio University Police at (740) 593-1911. Carpet Distribution
Ohio University’s Residents’ Action Council (tRAC) allows students to conveniently purchase a carpet and have it delivered to their rooms prior to move-in. All carpeting is residential, brand new, and bound on all four sides. Carpet color selection includes: light blue, gray, hunter, beige, navy, burgundy, and black. Students are able to select the size and color of their carpet. To order a carpet, visit http://www.ohio.edu/housing and click on “Residence Halls” then “Amenities.” You can also call 1-800-892-8729 to place your order.
**Room Furnishings**
Rooms are furnished with beds, desks and chairs, freestanding or built-in dressers, closet space, recycling bins, and wastebaskets. Bathroom tissue paper is provided in all residence halls. Most mattresses are 80 inches long and an extra-long twin sheet fits best. Some beds are bunked; some triples have a loft provided by Ohio University. Most rooms have pull shades at each window. The Convocation Center rooms have mini-blinds instead of pull shades. If you would like more than a shade or mini blinds, you and your roommate(s) may bring curtains or a valance along with a tension rod for hanging those up. The inside window measurement width is 24” and the length is 78”.

---

**Can I remove or store the “extra” room furniture I don’t want?**
All furniture must remain in the room, no exceptions.

**If I have a loft, where do I put the OU bed?**
The only lofts that are permitted are those provided by the Bedloft.com. These lofts require no disassembly or removal of the university supplied bed.

**Can I replace my mattress?**
If there is a problem with a mattress, please contact the in-hall housekeeping staff.

**Can I paint my room?**
Students are not permitted to paint their own room. Ohio University paints student rooms on a regular schedule.

**Can I bring my own refrigerator?**
No, the only refrigerators authorized to be placed in residence hall rooms are university owned microwave/refrigerator/freezer units.

---

**Lofts**
No personally constructed lofts are permitted within the residence halls. Ohio University has an agreement with Bedloft.com for the use and supply of bed lofts. Visit bedlofts.com to see the list of rooms that are unable to accommodate lofts. Most triple rooms already have a set of bunk beds and one loft; therefore, it is highly unlikely that additional lofts will fit into the room. Students should check their room first and then rent a loft if they are still interested.

**How can I rent/lease a loft?**
Order through BedLoft at www.bedloft.com or call 1-866-651-5638. For any additional questions, students can email service@bedloft.com. Lofts typically cost around $160.00 per year.

**When will I receive my loft?**
If the order was placed in advance, the loft unit will be delivered directly to their room in advance and will be assembled. Students may also rent a loft during opening weekend by visiting a rental station on campus.

**Can I order a loft after the deadline?**
Yes, students can visit bedloft.com and order a loft after move-in. The company will contact the student to set up arrangements for the loft to be delivered. Delivering will take one week or less after the order is received.
Room Changes
Ohio University offers wonderful opportunities to experience diversity in cultures, lifestyles, and backgrounds. Because of this, we expect students to welcome, respect, and be sensitive to differences including getting to know their roommate before making a decision to change rooms. However, we understand that everyone isn’t always satisfied with their room assignment. Though there is a room change “freeze” during the beginning of every term, students will be able to work with their in-hall staff to facilitate a room change once the freeze has ended. If an emergency situation arises during check in that necessitates a quick room change, please encourage your student to discuss their need with their Residential Coordinator/Residential Director.

Telephones
Within the residence halls, telephone lines are not active in each student room. However, students may request to have their telephone line activated by contacting the OIT service desk at (740) 593-1222. The activation is free and students are given an unlimited amount of local calling minutes.
