For Locations and times please visit www.ohio.edu/careerandleadership.
The 21st Century Leadership Series is a workshop which will empower participants to improve the functionality of any group or organization with whom they work by helping them understand how teams function and why they succeed or fail.

Foundations Leadership Experience is designed to give first year students the opportunity to advance their knowledge and training in leadership development.

Ohio University’s Career and Internship Fairs are a great opportunity to meet with employers from a variety of fields in one location. Career and Internship Fairs are open to all Ohio University students and alumni.

Prepare for the Fair offers professional development workshops and events in preparation for the Career and Internship Fair. Workshops include resume writing, mock interviewing, networking, and how to dress professionally.

The Leadership Awards Gala is a grand evening celebrating OHIO students and their outstanding demonstration of character, commitment, civility, community, and citizenship. Awards are given to show appreciation and encouragement of students’ leadership at OHIO.
