Conditions of Participation.

I, the applicant, upon submitting my application to the Department of Environmental and Plant Biology Internship Program, do hereby accept my participation in such program and agree to all terms and conditions of the program. Furthermore, I verify that I am at least eighteen (18) years of age and fully competent to sign this agreement.

1. Personal Conduct. I agree to participate in all aspects of the program, including pre-departure and on-site orientation, and program evaluations, as well as host institution instruction, excursions, and performance evaluations. I understand that the Department of Environmental and Plant Biology and the host institution providing the internship have the authority to establish rules of conduct necessary for the operation of the program during the entire period of the program. The Ohio University Student Code of Conduct also applies to me whether I am in the U.S. or abroad. Should I violate stated rules, the Ohio University Student Code of Conduct, or the laws of the host country or any other country I may visit while abroad, demonstrate disruptive behavior, or through my conduct bring the program or its participants into disrepute or legal or physical jeopardy, I may be removed from the program and/or face other sanctions. If I am dismissed from the program, I will lose all academic credit and will remain responsible for all program costs incurred on my behalf.

2. Financial Responsibility and Cancellation. I acknowledge that I am requesting to be registered for this program. I further acknowledge my legal obligation to pay tuition and fees for the program. I further understand the following:
   a. The Department of Environmental and Plant Biology and the host institution reserve the right to make cancellations, changes, or substitutions in cases of emergency or changed conditions or in the interest of the internship or participant. Should either entity cancel the program, full refunds of recoverable expenses will be made.
   b. It is my responsibility to provide all documents including a current drivers license, and undergo all additional screening required by the host institution including a background check or drug screening.
   c. If I choose to withdraw from the program or cannot participate for any reason other than a medical one, I will be held responsible for all non-refundable costs. I must notify the Internship Program Coordinator and the host institution in writing of my withdrawal. Medical withdrawals must be verified by a written statement from a medical doctor.
   d. If I do not meet payment deadlines for the Internship credits, a hold will be placed on my records and I will be prevented from graduating, registering for future terms, and/or securing an official transcript until the amount is paid in full along with any other charges that may occur in the meantime; Ohio University may report this delinquency to a credit bureau; and my account may be placed at a collection firm and/or litigation may be pursued if my entire indebtedness is not paid by the indicated deadline, in which case I will pay all collection firm fees, attorney's fees, and other costs and charges associated with the collection of my debt. For more information, visit http://www.ohio.edu/finance/bursar/financialholds.cfm.

3. Program Pre-departure Obligations. I understand that if I fail to comply with the program pre-departure obligations detailed by the Department of Environmental and Plant Biology, I may be removed from the program. If removed, I will remain responsible for paying the internship credits and any non-recoverable costs.
   a. Academic Performance. I understand that I must be in good academic standing to participate in the program. I further understand that I must maintain a program-specific cumulative GPA and/or complete pre-requisite courses demanded by the host institution(s) for the internship(s) I have applied for.
   b. Pre-departure Orientations. I understand that I must participate in all pre-departure program activities including but not limited to internship-specific orientations.
   c. Judicial/Criminal Penalties. I understand that if, after accepting an internship, I violate the Student Code of Conduct, or am charged with and/or convicted of a felony or misdemeanor offense, I may be removed from the program.
4. **Medical Treatment.** In the event of illness or injury to me, I authorize any official representative of the host institution to secure medical treatment on my behalf, including surgery and the administration of an anesthetic, and I accept all financial responsibility for such treatment.

5. **Independent Travel.** I understand that before and after the program and during free time within the program, I may elect to travel independently at my own expense. I agree to inform the internship representative of my travel plans in advance in writing, and I understand that neither the Department of Environmental and Plant Biology nor its staff, nor the host institution or its staff, are responsible for me while I am traveling independently.

6. **Permission to Share Information.** I give the Department of Environmental and Plant Biology, and the host institution, and its representatives permission to communicate internally and with my parents or guardians, and/or other emergency contact person (as specified in this application) regarding all issues surrounding my internship experience. This may include but is not limited to student account information, student conduct issues, health and safety, grades or academics; such contact may occur before, during or after the program.

7. **Photo Release.** I give the Department of Environmental and Plant Biology, the host institution, and its representatives permission to make use of photographs bearing my image in both print- and web-based program materials for educational, non-commercial promotion.

8. **General Release and Waiver.** I have read, understood, and signed the Waiver, Release and Indemnification Agreement.

*I understand that all Ohio University Policies and Procedures are subject to change, and it is my responsibility to be informed of all University policies pertaining to students enrolled at Ohio University.
