

Department of Modern Languages
Course Approval for Transfer Credit for Study Abroad/Exchange
After Completion of Program

Students participating in study abroad programs or exchanges must meet with their academic advisor to receive academic approval for the courses they wish to take and receive credit for while abroad, both before and after their program. Academic advisors/program directors will assign OHIO equivalencies only for courses that apply to the student's language major. Submit to this form with the following:

- A copy of your pre-approval form from OEA
Course description of courses taken abroad

- Syllabi from courses taken abroad
A recent DARS

To the language academic advisor or program director: This form must be submitted for students that have completed an non-OU study abroad or exchange program. By completing this form, you affirm that you have looked at the course(s) taken while abroad and have determined to the best of your ability that the following credit should be given for language courses.
