Presentations and Symposia

Mischkowski, D. (2019, April). *New directions in pain research: mechanism and treatment*. Invited symposium at the annual meeting of the Midwestern Psychological Association, Chicago, IL.

Mischkowski, D., & Crocker, J., & Way, B. M. (2018, May). *A social analgesic? Acetaminophen decreases responsiveness to the pain of others*. Poster presented at the annual meeting of the Social & Affective Neuroscience Society, New York, NY.

Mischkowski, D., Stavish, C., Palacios-Barrios, E., Banker, L., Dildine, T. C., & Atlas, L. Y. (2018, April). *Trait mindfulness is related to retrospective but not current pain*. Paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, IL.

Mischkowski, D., Dildine, T. C., Palacios-Barrios, E., Banker, L., & Atlas, L. Y. (2017, March). *Trait mindfulness is related to retrospective but not current pain*. Poster presented at the annual meeting of the Social & Affective Neuroscience Society, Los Angeles, CA.

Mischkowski, D. (2016, May). *The role of physical pain in social processes: a “social-pharmacological” approach*. Invited paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, IL.

Mischkowski, D., Dildine, T. C., Palacios-Barrios, E., Banker, L., & Atlas, L. Y. (2016a, April). *Autonomic arousal mediates the effect of stimulus intensity on pain*. Poster presented at the annual meeting of the Social & Affective Neuroscience Society, New York, NY.

- Mischkowski, D.**, Dildine, T. C., Palacios-Barrios, E., Banker, L., & Atlas, L. Y. (2016b, April). *Autonomic arousal mediates the effect of stimulus intensity on pain*. Poster presented at the annual retreat of the National Center of Complementary and Integrative Health, Washington, DC.
- Mischkowski, D.**, & Crocker, J., & Way, B. M. (2016, January). *The social side-effects of acetaminophen*. Poster presented at the annual meeting of the Society of Personality and Social Psychology, San Diego, CA.
- Mischkowski, D.**, & Crocker, J., & Way, B. M. (2015, April-May). *Acetaminophen decreases responsiveness to the pain of others*. Paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Mischkowski, D.**, & Crocker, J., & Way, B. M. (2015, February). *Acetaminophen increases social pain*. Poster presented at the annual meeting of the Society of Personality and Social Psychology, Palm Beach, CA.
- Mischkowski, D.**, & Crocker, J. (2014, February). *Working memory capacity in social psychology: New directions*. Symposium at the annual meeting of the Society of Personality and Social Psychology, Austin, TX.
- Mischkowski, D.**, & Crocker, J. (2014, February). *Working memory capacity explains the effects of social exclusion on reduced cognitive and social functioning*. Paper presented at the annual meeting of the Society of Personality and Social Psychology, Austin, TX.
- Mischkowski, D.**, & Crocker, J. (2013, May). *Affective and cognitive mechanisms underlying the effects of social exclusion*. Symposium at the annual meeting of the Association for Psychological Science, Washington, DC.
- Mischkowski, D.**, & Crocker, J. (2013, May). *Working memory capacity mediates the effects of social exclusion on reduced cognitive and social task performance*. Paper presented at the annual meeting of the Association for Psychological Science, Washington, DC.
- Mischkowski, D.**, & Crocker, J. (2013, January). *Working memory capacity mediates the effects of social exclusion on reduced cognitive and social task performance*. Poster presented at the annual meeting of the Society of Personality and Social Psychology, New Orleans, LA.
- Mischkowski, D.**, Crocker, J., Niiya, Y., Canevello, A., & Moeller, S. (2012, January). *Benefits of compassionate goals for relationships: Increased academic growth and engagement*. Paper presented at the annual meeting of the Society of Personality and Social Psychology, San Diego, CA.
- Mischkowski, D.**, Kross, E., & Bushman, B. (2011, January). *Stepping back in the heat of the moment: Self-distancing reduces aggressive affect and cognition*. Poster presented at the annual meeting of the Society of Personality and Social Psychology, San Antonio, TX.
- Mischkowski, D.**, Rosen, E., Niiya, Y., & Crocker, J. (2010, April). *The association between compassionate goals and interdependent self-construal differs between U.S. and Japan*. Poster presented at the Conference of Cultural Neuroscience, Ann Arbor, MI.

Current and Past Professional Association Memberships

Association for Psychological Science (APS)
Midwestern Psychological Association (MPA)
Social & Affective Neuroscience Society (SANS)
Society of Personality and Social Psychology (SPSP)

Reviewer Experience

Journal reviewer:

Behavioural Brain Research
Behavior Research Methods
British Journal of Psychology
Frontiers in Psychology
Journal of Applied Social Psychology
Journal of Cross-Cultural Psychology
Journal of Experimental Social Psychology
Neuroscience & Biobehavioral Reviews
Personality and Social Psychological Bulletin
Perspectives on Psychological Science
Pharmacology, Biochemistry and Behavior
PLOS ONE
Social Cognitive Affective Neuroscience

Grant reviewer:

National Science Foundation (NSF)
Time-Sharing Experiments for the Social Sciences (TESS)

Undergraduate and Graduate Mentoring Experience

| | |
|----------------------|--|
| Since August 2019 | Mentoring a PhD graduate student as primary advisor. |
| Since September 2017 | Mentoring a PhD graduate students in the Ohio University psychology program |
| 2017-2019 | Serving at the PhD or Master’s committees of six PhD graduate students in the Ohio University psychology program |
| 2008-2019 | Supervising undergraduate or postgraduate research assistants (Training them in data-collection, data-analysis, study design, literature search, and in supervising other undergraduate research assistants) |
| 2009, 2012-2014 | Mentoring four undergraduate research thesis projects (Supervising study design, data collection, data-analysis, and thesis write-up) |

Teaching Experience

| | |
|--|--|
| Fall semester 2018 | Course instructor of <i>Physiological Psychology</i> at Ohio University (<i>online</i> class; size: 45 undergraduate students) |
| Spring semester 2017 | Course instructor of <i>Advanced Research Methods in Psychology</i> at Ohio University (class size: 11 graduate students) |
| Fall semester 2018, 2019, spring semester 2018 | Course instructor of <i>Research Methods in Psychology</i> at Ohio University (<i>online</i> class; size: 22-27 undergraduate students) |
| Fall semester 2017 | Course instructor of <i>Research Methods in Psychology</i> at |

| | |
|---|---|
| | Ohio University (class size: 23 undergraduate students) |
| Fall semester 2012, 2013, & 2014, spring semester, 2014 & 2015 | Graduate student course instructor of <i>Introduction to Social Psychology</i> at The Ohio State University (class size: 21-28 undergraduate students) |
| Spring quarter 2012 | Graduate student teaching assistant of <i>The Self</i> (course instructor: Jennifer Crocker, PhD) at The Ohio State University (class size: 80 undergraduate students) |
| Winter quarter 2012 | Graduate student teaching assistant of <i>Introduction to Emotions</i> (course instructor: Will Cunningham, PhD) at The Ohio State University |
| Fall quarter 2011 | Graduate student course instructor of <i>Introduction to Social Psychology</i> at The Ohio State University (class size: 26 undergraduate students) |
| Fall semester 2009, winter/spring semester 2010 | Graduate student teaching assistant of <i>Introduction to Social Psychology</i> at the University of Michigan for two sections each semester (class size: 26-30 undergraduate students) |
| Summer semester 2006 | Undergraduate student course instructor of <i>Introduction to Social Psychology</i> at the University of Konstanz, Germany (class size: approximately 30 undergraduate students) |
