EDUCATION

University of North Carolina, Chapel Hill, NC.

Ph.D., Quantitative and Cognitive Psychology, August 1992.

MA, Quantitative and Cognitive Psychology, December 1990.

Columbia University, School of International and Public Affairs, New York, NY.

Master of International Affairs, Policy, Economic Development and Latin America, May 1994.

Jacksonville State University, Jacksonville, AL.

BS, Mathematics and Psychology double major, August 1987.

Foreign Service Institute, Washington DC. Training 2019-2020:

Preventing Genocide and Mass Atrocities, PP230; Mass Atrocity Prevention, PP231;

Early Warning for Mass Atrocity, FSI/CSO; Early Warning Atrocity Prevention

Assessment Framework; Mitigating Unconscious Bias, PT144; Cybersecurity

Awareness; Annual Counterintelligence and Insider Threat Awareness; Records

Management; Mandatory Training for Classifiers and Users of National Security

Information, PS800; Preventing Harassment at State; Essential Skills for Facilitating

Groups, PD547

Deloitte, Arlington VA.

Certificate: Program Design, Monitoring, and Evaluation, October 2019.

PROFESSIONAL EXPERIENCE

National Science Foundation, Alexandria, VA.

Visiting Scientist, Engineer, and Educator (VSEE) Program.

Program Director Decision, Risks, and Management Sciences Program, Social and Economic Sciences Division, Social and Behavioral Sciences Directorate. September 2020-present.

Significant Accomplishments: Manage merit review process, funding decisions, and grants of the decision analysis, cognitive and psychological sciences, mathematical modeling, organizational behavior side of the program. Manage full program budget including forward funding and closing. Support cross-directorate activities: SBE representant in the Future of Manufacturing Program and AI Institute for Decision Making. Report writing contribution to response by Assistant Director, SBE, to the White National Security Council call for information.

U.S. Department of State, Washington DC.

National Academies of Sciences, Engineering, and Medicine Jefferson Science Fellow.

Program Analyst, Bureau of Conflict and Stabilization Operations: Office of Design, Monitoring, and Evaluation. September 2019-September 2020.

Significant Accomplishments: Served as a key behavioral scientist to inform programmatic activities on various topics pertaining to extremism, violence, psychological drivers, rehabilitation, education, as well as methodology and statistics. Conference organizer of a scientific panel in the first State Department conference on Non-state Armed Actors. Reports: Analysis of psychological risk assessments for violent extremists; recommendation for trauma-focused rehabilitation practices for foreign fighters and displaced populations.

Pontificia Universidad Católica de Chile, Santiago, Chile.

Visiting Professor, Facultad de Ciencias Económicas y Administrativas. March-May 2016.

Max Planck Institute, Berlin, Germany.

Visiting Research Scientist, Center for Adaptive Behavior and Cognition. January-August 2005.

INSEAD, Fontainebleau, France.

Visiting Professor of Technology Management. Lectured on Management Decision Making, MBA program. November-December, 2004.

Ohio University, Department of Psychology, Athens, OH.

Professor. Research and teaching on the psychology of judgment and decision making and statistics. September 1996-present.

University at Albany, SUNY, Center for Policy Research, Albany, NY.

Research Associate and Research Assistant Professor, Graduate School of Public Administration and Policy. Conducted judgment and decision-making research with applications to public administration and public policy issues. Taught graduate research methods and statistics to MPA students. October 1994-August 1996.

United Nations Development Fund for Women, New York, NY.

Consultant. Assisted in the overall coordination of activities executed and/or funded by UNIFEM's Latin American and Caribbean Section. Constructed a data base of country projects' financial and administrative information for auditing purposes. Feb-September 1994.

United Nations Development Fund for Women, New York, NY.

Intern. Assisted Programme Officer of the Latin American and Caribbean Section. Researched issue of incorporating women's indicators in project evaluations. October-December 1993.

Columbia University, Department of Statistics, New York, NY.

Adjunct Assistant Professor. Taught introductory statistics. September-December 1993.

National Opinion Research Center, Economics Research Center, Chicago, IL.

Research Associate. Researched judgment, decision making and consumer choice topics. July 1993-August 1993.

University of Chicago, Graduate School of Business, Chicago, IL.

Visiting Assistant Professor of Behavioral Science. Taught decision making to MBA students on campus and executive programs. Conducted research in judgment and decision making. September 1992-June 1993.

University of North Carolina, L. L. Thurstone Psychometric Laboratory, Chapel Hill, NC.
Research and Teaching Assistant in Psychology. Designed and conducted psychological experiments. Collected and analyzed data. Led laboratory sessions of introductory statistics. Lectured on psychological topics upon request. September 1987-August 1992.

University of North Carolina, School of Nursing, Chapel Hill, NC.
Statistical Consultant. Assisted faculty and students with statistical analyses. Programmed in SAS, SPSS, performed data analyses and wrote reports. April-September 1989.

HONORS AND AWARDS

National Academies of Sciences Engineering and Medicine, Jefferson Science Fellowship, 2019.

Ohio University Women's Achievement Breaking Barriers Award, March 2019.

Decision journal Finalist Editorship position, January 2019.

Ohio University, Presidential Teacher Award Nomination, September 18, 2015.

Behavioral and Brain Sciences Journal Associate, November 2012-present.

NIH, Cognition and Perception Study Section Regular Member, September 2012-2015.

Ohio University, Arts and Sciences Faculty Development Award
Award (\$1,900) received to attend the Summer Workshop on Structural Equation Modeling, ICPSR, University of Michigan, August 2001.

Duke University, The Fuqua School of Business
Junior Scholarship of Random Utility 2000, August 2000.

Ohio University
Recognition to the Advancement of Undergraduate Education, 1999.

Columbia University
Awarded a School of International and Public Affairs Fellowship, 1994.

University of North Carolina
Assistantship recipient of NSF grants to the University of North Carolina, 1987-1992.
L. L. Thurstone Psychometric Laboratory Graduate Student Award recipient, 1989-1990.

Jacksonville State University
Received honors in Mathematics and Psychology, August 1987.
International House Program Scholarship recipient, 1984-1986.
Alabama's Women Club Scholar, 1984-1985.

PROFESSIONAL SERVICE

Society of Judgment and Decision Making, Beatty Award Committee (September 2018-2020).

NIH, Ad hoc Reviewer, Social Psychology, Personality and Interpersonal Processes Study Section (October, 2018).

Consulting Editor, *Journal of Mathematical Psychology* (July 2018-present).

Associate Editor, *Management Science*, Judgment and Decision Making area (January 2017-January 2018).

Editorial Board, *Decision* (November, 2014-present).

Editorial Board, *Journal of Behavioral Decision Making* (November, 2012-present).

NIH, Member, Cognition and Perception Study Section (September 2012-2015).

Editorial Board, *Decision Analysis* (January 2012-present).

Editorial Board, *Acta Psychologica* (August 2011-present).

Associate Editor, *Acta Psychologica* (January 2010-August 2011).

NIH, Ad hoc Member, Cognition and Perception Study Section (September 2009-2012).

NIH, Ad hoc Reviewer, Special Emphasis Panel (June 2009).

Consulting Editor. *Journal of General Psychology*, (December 2000-July 2002).

Faculty, Seminar on Human Judgment and Social Policy, Escola de Governo e Administração Pública, Fundação do Desenvolvimento Administrativo (FUNDAÇÃO), São Paulo, Brazil (June 9-13, 1997).

Workshop created and presented with Drs. Kenneth Hammond and Thomas Stewart (judgment analysis experts). One-week long seminar on theories and methodologies of judgment and decision making. Participants were government personnel representing many different offices such as police, education, and health.

Ad hoc Reviewer of Professional Journals

Acta Psychologica, American Journal of Managed Care, Applied Mathematics and Computation, Cognition, Current Directions in Psychological Science, Decision, Decision Analysis, Developmental Psychology, Information Sciences, Israeli National Science Foundation, Journal of Applied Psychology, Journal of Experimental Psychology: Applied, Journal of Experimental Psychology: General, Journal of Experimental Psychology: Learning, Memory, and Cognition, Journal of Behavioral Decision Making, Journal of Behavioral Medicine, Journal of Economic Psychology, Journal of Decision Making, Journal of Mathematical Psychology, Journal of Memory and Language, Journal of Nutrition Education and Behavior, Judgment and Decision Making, Management Science, Memory and Cognition, National Science Foundation: Decision, Risk, & Management Science, National Science Foundation: Methodology, Measurement, & Statistics, Operations Research, Organizational Behavior and Human Decision Processes, Perception and Psychophysics, Perspectives in Psychological Science, Plos One, Psychological Bulletin, Psychological Review, Psychological Science, Psychonomic Bulletin and Review, Social Cognition.

UNIVERSITY AND COLLEGE FACULTY SERVICE (most recent and ongoing)

Ad Hoc Budget Committee, Ohio U. College of Arts and Sciences (Spring 2017-2019).

Food Studies Theme Core Faculty. Ohio U. College of Arts and Sciences (2013-2019).

International Studies Affiliated Faculty. Latin American Studies, Ohio U. College of Arts and Sciences (2002-present).

Office for Diversity and Inclusion, Faculty Mentor. Ohio University Diversity and Inclusion's Multicultural Junior Faculty Mentoring Program (2015-present).
