CRANE HOLLOW NATURE PRESERVE GUIDED HIKE

Join us for the third CE3 Brownbag Lunch of the semester!
Friday, October 23rd 11:45 am – 4:00 pm • Space is limited, RSVP required.

Join CE3 and the Environmental Studies Program as we visit a local natural gem: Crane Hollow Nature Preserve. Crane Hollow is a private nature preserve and a research and educational site for Southeastern Ohio natural history on approx. 1,900 acres, in large part dedicated as a State Nature Preserve. This event will begin with a short introductory talk by Crane Hollow Director Heather Stehle, and Environmental Studies Outreach Coordinator Loraine McCosker will then lead the group on a guided hike to discuss the history, significance and preservation ethic of Crane Hollow. Space is limited for this offsite event. For more information and to RSVP, please contact to Loraine McCosker at mccosker@ohio.edu by 12:00 pm Thursday, October 22. Carpooling to the preserve available.

Save the Date for these Upcoming CE3 Brownbags!

Nov. 6: The Sugar Bush Foundation
Nov. 13: Balkans Delegation (special session)
Nov. 20: Tracy Sabetta, Initiative Consulting
