Are you a southeastern Ohio business interested in finding ways to reduce your energy costs?

We cordially invite you to attend our opening roundtable luncheon:

**JACKSON ROUNDTABLE**

*RSVP Required*

The event is open to the public and a complimentary lunch will be provided.

**FRIDAY, MAY 18TH**

11:30 AM - 1:00 PM

La Rosa’s Pizzeria, 966 East Main Street, Jackson, OH 45640

To RSVP, please visit:

To register for the Jackson event and read details about future roundtables in Zanesville, Athens, and Marietta, please visit:

We look forward to your business’s participation at the regional roundtables.

Please contact Dylan Drugan at dd946811@ohio.edu with any questions.

---

**Speakers for the Jackson Roundtable include:**

**John Seryak, Go Sustainable Energy** - Promotes sustainable material and energy use. Go Sustainable Energy engineers are energy efficiency experts and work with clients to identify energy, material and cost savings opportunities.

**Gregrey Smith, Energy Optimizers USA** - A vendor neutral, full-service, energy efficiency and conservation company specializing in assisting K-12 school districts and local government agencies to reduce energy usage and costs.

**Scott Miller, Ohio University Voinovich School Consortium for Energy, Economics and the Environment (CE3)** - Works with local, state and regional communities, businesses, government officials, industry representatives and nonprofit groups to develop solutions to energy problems while promoting economic growth and sustainability.
