Admission Requirements
Most courses during the freshman year should be selected to meet the requirements of General Education, Tier I, and Tier II. Requirements for admission to Professional Education include: successful completion of 30 semester hours with a 3.0 GPA or higher, a Tier I Math course (1M) with a grade of C (2.0) or higher, a Tier I Freshman Composition course (1E) with a grade of C (2.0) or higher, and the following: EDTE 1500-Introduction to Teacher Education and PSY 1010-General Psychology. In addition, the candidate must score a 21 or better on the ACT or complete the Praxis Core successfully. All candidates must submit a current BCI, FBI, and TB Skin Test with their application.

Course of Study
The Middle Childhood Education curriculum may be pursued on either a full-time or part-time basis with day and evening classes available. Students typically start fall semester, but may enter the program at any point during the academic calendar. Full-time students should enroll in 15 or more credit hours per semester. Part-time students may pursue the degree at a rate they desire, however a minimum of seven credit hours of coursework each semester is recommended.

Financial Resources
Students are eligible for many different financial aid resources. These include:

   Federal Grants and Loans
   Ohio University Scholarships
   State Grants and Loans

To begin the process, you should apply for financial aid at www.fafsa.gov as soon as possible. For Ohio University Chillicothe, use the University Federal School Codes: 003100 and 003102.

Financial Aid Office: 740.774.7289 or toll free 877.GO.2.OUCH.

Education Facilities
Students enrolled in the Middle Childhood Education Program complete their clinical-field placements and professional internships in classrooms and programs for children in grades four through nine. Public and private area schools partner with OUC to mentor Middle Childhood Education students enrolled in education courses requiring clinical field experiences.

Program Overview

The Middle Childhood Education Program includes six majors with academic specializations in any two of the following content specializations: Language Arts, Mathematics, Science, and Social Studies. This major will prepare you to teach two of those content areas in grades four through nine in Ohio.

Program Completion

To receive a B.S.Ed. in Middle Education, you must complete two of four contents and attempt the Ohio Assessment for Educators Exam and successfully complete the Education Teacher Performance Assessment prior to licensure. Each program curriculum includes course work well distributed over two academic concentrations. For example, academic concentration combinations can come from Language Arts, Mathematics, Science, and Social Studies. Upon completing the program and achieving a passing score on the appropriate fields of the Ohio Assessment for Educators Exam, you are eligible for a Resident Educator License in the state of Ohio.

*To qualify for Advanced Standing in Teacher Candidacy students complete 60 hours with a 2.75 cumulative GPA, have a 2.75 in each teaching field, successfully complete EDTE 2000, 2010, and 2020, and have a current BCI and FBI check.*
