WIRELESS ACCESS

FACULTY, STAFF, STUDENTS, GUESTS, SPONSORED GUESTS, AND GUESTS FROM INSTITUTIONS PARTICIPATING IN EDUROAM

Accessing the OHIO University Wireless Networks:
Ohio University provides wireless access to faculty, staff, students, guests, sponsored guests and guests from institutions participating in EDUROAM.

Accessing the OHIO University Guest Wireless Network:
To access the OHIO University Guest wireless network, follow the steps below:
1. Enable your device's WiFi access.
2. Select the "OHIO University Guest" wireless network.
3. Open up a web browser.
4. Agree to the terms of use on the displayed page.
5. Your device will be joined.
6. Agreeing to the "Terms of Use" is the only requirement for access.

The OHIO University Guest network is not an encrypted.

Accessing the eduroam Wireless Network as a Sponsored Guest:
The first step is to have an Ohio University faculty or staff member request/sponsor a long-term guest account.
1. The sponsoring member will go to: (https://www.ohio.edu/oit/help/ohioguestform.cfm)
2. In order to request/sponsor the account, the sponsor will need the following information:
   a. First and Last Name
   b. Address
   c. Phone Number
   d. Date of Birth
   e. A non-OU Email Address (So the guest account name and temporary password can be sent to the sponsored guest).
3. The guest will need to activate their guest account by going to: (https://account.ohio.edu).

Second step is to join your device to the "eduroam" wireless network by following the steps below:
1. Enable your device's WiFi.
2. Select the "eduroam" wireless network.
3. Type the Guest Account user name “(OHIO Guest ID@ohio.edu)” sent to the non-OU email address.
4. Enter the password created during account activation.
