The Ohio University Chillicothe softball team will conduct a softball clinic on Saturday December 2, 2017. This clinic is designated for high school students expected to graduate in 2018 or 2019. The clinic will focus on hitting and each student will participate in a variety of hitting drills. Swing mechanics will be discussed and demonstrated.

Information about attending OUC and the softball program will be provided including details on the tuition cost and scholarship availability.
