

38th Annual

Student Scholarship Awards Reception

Sept. 22, 2017

OHIO
UNIVERSITY

College of Health Sciences and Professions

We are pleased to welcome you to the 38th Annual Student Scholarship Awards Reception. It is an honor to host this event and celebrate the achievements of our students. These students are proof that hard work pays off. As members of the largest college at Ohio University, they are the best of the best and our tradition of excellence is due in large part to their efforts along with the efforts of our committed faculty and dedicated staff.

Many of these outstanding students, however, would not have had the opportunity to excel without the organizations and individuals who make these scholarship opportunities available. Our generous donors have helped countless students fulfill their academic goals in order to become outstanding health professionals and we are thankful for their partnership.

Regards,
