Person Identification Number (PID).

A red no will become a green yes when the requirement has been met.

The Russ College of Engineering and Technology manages the Pre-Technical Operations Management major.

You must have 120 semester hours and a 2.0 cumulative GPA to graduate.

A minimum 2.0 GPA is required by the college and for the major.

Transfer students must complete at least 30 hours of OHIO courses to graduate.

Tier I requirements.

A minus sign will become a plus sign when the requirement has been met.

Take your junior year.

It is the student’s responsibility to know and follow current requirements and procedures at the departmental, college, and university levels. This degree audit report is provided to help you keep track of your progress toward graduation. When in doubt as to the completeness of a requirement, please refer to the catalog, consult your advisor, or check with the Russ College of Engineering & Technology Office of Undergraduate Student Services, Stocker 181. Regional campus students may contact their campus student services director. Your academic dean has final authority for certifying completion of graduation requirements.
