NOTES:
1. Provide required package authorization from your facility before payment is made to avoid incurring additional
shipping fee for packages that are refused at your facility.

2. If payment for tuition is received by the 21st day of the month, the student's effective start date will be the first day of
the next month. If payment is received the 22nd day through the last day of the month, the student's effective start
date will skip a month. For example, a payment received January 1-21 gives the student an effective start date of
February 1. A payment received January 22-31, gives the student an effective start date of March 1.
