Notes about Registration:

2. If your non-degree status has expired, you will not be able to register. You may apply for re-admission to non-degree-status at www.ohio.edu/graduate.
3. Non-attendance in a course in which you are registered is not the same as officially 'withdrawing' from a course.
4. If you want to withdraw from a course, seek advice from your faculty advisor and/or Partnership Liaison about procedures, late fees, and depending on other factors, how a 'grade' will be assigned.
5. Courses added or dropped *after* the first week of the semester will incur fees which you will be responsible for paying.
6. **This is a GRADUATE tuition/fee waiver.** Teachers must be enrolled as a graduate degree seeking student in The Patton College. These waivers will *only* apply to PCOE courses within your selected program.
7. **The waiver will NOT work if you choose to audit the course.**
