		Total	30

***Bold courses that are listed in the Fall and Spring are considered the core courses and must be taken in sequence as listed.**

**Italicized courses can be taken in either the first summer or second summer. Besides these italicized courses, there is an option to take other courses if you want to add/develop a specialization or area of*

concentration. This must be agreed upon by your advisor. This will require taking more than the minimum 30 hrs.
