### Minor/Certificate Recommendations

- **Ecotourism Certificate**: The certificate program in ecotourism is a multidisciplinary program focused on promoting sustainable tourism development through a balance of environmental, economic, and socio-cultural aspects of nature-based tourism. REC 4920 counts towards the certificate.

- **Other options student have pursued**: Students can range from across the board in the minors then can do and pursue. There are rarely any bad choices, as long as the student justify the pairing – if questionable, feel free to contact the faculty. Minor programs that students have pursued: Ecotourism Certificate, Political Science, Marketing, Communications, Psychology, Coaching, Environmental Studies, History, Sport Management/Administration, Diversity, Biology, Construction Management, Entrepreneurship, Social Media
