6. IMPORTANT NOTES:  
a) You cannot use the same course to satisfy two program requirements at the same time (unless in TierIII or in Minors).  
b) Failing a Required course 3-times (with F, WF, FS, or with < C in EE 2104, MATH 2301, 2302 ), forces you out of the program.  
c) Cannot retake class to improve a grade, if the class is a prereq to another class that you have already passed.  
d) To graduate: You need three (OU, ENT, Major) GPAs > 2.0 and at least 127 hours of credit.
