Benefits Advisory Council Update

• Guiding Principles
  • Eliminate structural deficits
  • Avoid Affordable Care Act Cadillac Plan Tax (required by state law)
  • Establish a maximum university contribution to the annual inflationary cost of benefits (no more than 5%)

• Previous recommendations include (but not limited to):
  • Three year (FY16, FY17, FY18) plan to mitigate costs (5% goal) and avoid Cadillac plan tax
  • Increase the percent of premiums paid by employees
  • Changing benefits eligibility or staff to positions with an FTE of 0.75 or greater and appointment length of 4 months or longer (included grandfathering)
  • Offer new vision and short term disability plans
  • Ensure benefit plans provide coverage for transgender health care needs
  • Funding for HealthyOhio, specifically the VirginPulse wellness program web site
# Budget Projections and Cost Savings Needed to Maintain 5% Goal

Benefits Advisory Council Recommendations

- Deductible and co-insurance changes from original 3 year plan (see chart)

- Employee premium percent increase from original 3 year plan (see chart)
  - the premium changes raise employee costs between 3%-9% depending on family size (single/family) or between $2-$4 (single) and $20-$40 (family) per month depending on salary level.

- Implement advanced utilization management programs to control/reduce prescription drug costs:
  - Step therapy
  - Prior authorization
  - Drug quantity management

- Conduct a dependent eligibility audit

- Cease offering Eastern Campus HMO plan

- Increase long term disability monthly benefit maximum from $6,000 per month to $20,000 per month
Original 3 Year Plan FY16 – FY17- FY18

Deductibles, Coinsurance Maximum, and Premiums will be adjusted as previously announced.

Prescription Plan Changes

• Express Scripts Advanced Utilization Management

  • Drug Quantity Management*: aligns the dispensed quantity of a prescription medication with the FSA-approved dosage guidelines.
    • Example: For migraine therapy, most individuals normally do not require daily medication so DQM may set a normalized quantity for a 30 day period.
    • Example: Proton pump inhibitors to treat peptic ulcer disease. Most ulcers are healed within an eight week duration of therapy. Certain conditions such as erosive esophagitis may require continued therapy.

  • Step Therapy*: Promotes the use of clinically effective, therapeutically equivalent, and less costly alternatives where clinically available and appropriate.
    • Example: Non-steroid anti-inflammatory drugs (NSAIDs) for treatment of inflammation and arthritis pain. Traditional NSAIDS are available in generic form but can sometimes result in side effects such as stomach irritation. A newer NSAID may be appropriate for patients who have experienced side effects or already have a gastrointestinal condition.
Prescription Plan Changes

• Prior Authorization*: Requires pre-approval from Express Scripts in order for a medication to qualify for coverage under the plan.

• Prior Authorization parameters are developed by Express Scripts’ pharmacists and medical experts, and take into consideration the desired outcome for the patient, manufacturers prescribing guidelines, instances where compelling evidence in medical compendia indicate the drug works for a particular condition, and the value to the university benefit plan.

• Approximately 900 university employees and/or family members currently receive a prescription impacted by prior authorization.

• Beginning 45-60 days ahead of July 1, 2017 go-live date, Express Scripts will distribute letters to impacted individuals detailing the program and need for their physician to contact Express Scripts.

• If a prescription does not meet the prior authorization guidelines, the plan will not cover the prescription. The employee can continue the prescription by paying the full cost, or work with the physician to find an alternative therapy/drug.

• Express Scripts has indicated they expect more than 50% of current prescriptions to pass the prior authorization request.

• Prior Authorization is already in place at other Express Scripts clients such as OPERS, STRS, and Ohio State.

* Source: Some material from AMCP – Concepts in Managed Care Pharmacy, April 2012
Further details regarding all changes, including prescription plan changes will be made available in the coming weeks.
Healthy Ohio

1. Currently Under Way on Athens Campus
   Regional Campus screenings scheduled in March

2. Benefits Eligible Staff and spouses can participate

3. Two Step Process
   Step 1: Receive a free health screening with results review
   Step 2: Activate Virgin Pulse account and complete the health assessment

4. $120 Participation Reward
   Will be changing to a one-time payment and not a per-pay reward

5. Virgin Pulse Web Site
   1. Wellworks and HR are partnering with Virgin Pulse to provide an easy to use online portal
      and/or mobile app for faculty and staff to track wellness and participate in wellness activities

6. Visit [https://www.ohio.edu/wellworks/events/healthy-ohio.cfm](https://www.ohio.edu/wellworks/events/healthy-ohio.cfm) for more details.
Facilities Partner Group

Steve Wood, Associate Vice President
Facilities Management & Safety

Kelly Broughton, Assistant Dean for Research & Education Services
University Libraries

Luanne Bowman, Chief Financial & Administrative Office
Russ College of Engineering
Agenda

• Charge
• Representation
• Service Level Agreements
• APPA FPI
• Future Items
Charge

The Facilities Partner Group is charged with developing solutions to improve processes and communications between planning units and the University’s Facilities Management. The partner group will gather, review, and assist in the prioritization of issues related to custodial, grounds, and building maintenance and operations.
Representation

Steve Mack, Facilities Management & Safety

Jay North, Facilities Management & Safety

Dan Harper, College of Fine Arts

John Gilliom, College of Arts and Sciences

Dean Dupler, Heritage College of Osteopathic Medicine

Jason Farmer, Intercollegiate Athletic

Robin Krivesti, University Libraries

Mark Ferguson, Campus Recreation

Dustin Kilgour, Student Affairs

Kevin Witham, Admissions

Beth Lydic, Patton College of Education

Peter Trentacoste, Residential Housing

Tina Payne, Business Service Center

Marjorie Mora, Business Service Center
Items in Progress – Service Level Agreements

Group members identified desire to have service level agreement(s) for:

• Communication improvements – address failings in providing information to customer; resolution of issues
• Baseline vs. billable over multiple venues/locations
• Communication and responsibilities for shared or public-like spaces
• Foundation of accountability
• Clarification of some tensions (e.g. not a baseline service; can’t do it ourselves; can’t hire someone to do it)

Solicited service level agreements from other institutions
Service Level Agreement(S)

The above services are provided during a Monday-Friday schedule in the frequencies indicated. Services will be performed only one-time per day on the scheduled days and frequencies indicated above unless otherwise noted. Additional service will be provided on a fee basis (all costs directly billed) and can be scheduled through the Facilities Management Work Center. Service delays may occur in cases of an emergency situation, such as a flood, as well as for snow removal.
Service Level Agreement(s)

• Efforts to date highlighted:
  • Balance between general and specific functions performed by Facilities Management
    • Heating, Ventilation, and Air Conditioning System versus Air Handling Unit
  • Gaps in funding and service level associated with transition to Responsibility Centered Management

• Moving forward with capturing customer specific requirements
  • Custodial and Event Services met and identified specific requirements.
    • Custodial will work with Campus Recreation next
  • Maintenance to work with Alden Library staff on customer specific requirements
  • Grounds Maintenance Draft SLA to be reviewed at next partner meeting
• Association of Physical Plant Administrators (APPA) perform an annual operational performance comparison for member institutions that volunteer to participate
  • Submission made in December 2016
    Results expected late summer 2017
  • Enables us to compare our performance in several areas to peer institutions
  • Data provided included recent customer and employee survey results
Athens Campus Customer Survey Results

P2P Partner Group

Business Process
Travel
International
Affordability & Efficiency
Focus of P2P Work Groups

- **Business Process**
  - Internal process improvements to streamline activities
  - Identify and implement best practices

- **Travel**
  - Identify issues with current travel procedures
  - Explore one vendor solution
  - Create path for easy payment and processes while reducing the number of PCards
  - Establish travel policy

- **International**
  - Identify associated procurement issues with international vendors and persons needing payment
  - Create system and/or process for international purchasing
  - Review requirements for International Travel

- **Affordability & Efficiency**
  - Develop plan to fulfill Governor’s Mandate for preferred vendor usage
  - Determine exemption parameters for research items and other special needs

Post Awards and Grants Partner Group

Michael Finney, Voinovich School
Cindy Perry, Grants Accounting
Mo Valentine, Office of Research and Sponsored Programs
Agenda

• Grants Module Sponsored Projects – Cindy Perry
• Procurement – Micro-purchases – Cindy Perry
• Air Fare and Fly America Act– Mike Finney
• Salary Distribution Process by Depts – Mike Finney
• Direct Charging Administrative Staff – Mo Valentine
• Office of Research and Sponsored Programs Reorganization – Mo Valentine
Grants Module – Sponsor Projects

• Completing Design phase of Grants Module for Sponsored awards.

• Reviewed Award Screen with Post Awards and Grants Partner Group.

• Drafted Template of the screens for each part of the set up process which has been vetted with Management.

• Test Conversion of Fund Type-Fund-Org-Project-Task to:
  • Grants: Project-Task-Award

B. Existing Natural Accounts will map to:
  • Grants: Expenditure Type
Award example for Sponsored
Procurement – Micro-purchases

• Uniform Guidance Procurement standards 2 CFR 200.320(a), *Procurement by micro-purchases* will be extended to July 1, 2018 by Office of Management and Budget (OMB) and require three quotes for purchasing items $10,000 or more once the federal register is published.

• The recent legislative action will also allow for a higher threshold as determined by the head of the relevant executive agency which will be consistent with audit findings, institutional risk assessment or State law.

• The Council on Governmental Relations (COGR) has advocated for these changes which should be issued soon in a Federal Register.

• As of January 30, 2017 there has been a regulatory freeze on these regulations to give the new administration time to review.
Airfare and Fly America Act

• Uniform Guidance requirements (2 CFR 200.474.3(d))
  • Airfare costs in excess of the lowest economy fare class is unallowable. The following are a few examples of exceptions that must be thoroughly documented:
    • Require circuitous routing
    • Require travel during unreasonable hours
    • Excessively prolong travel

• Fly America Act requirements state the following:
  • Any foreign air travel that is financed by federal funds must be booked on U.S. Flag Air Carriers, regardless of cost or convenience. It is highly recommended that you book your international travel, when federally funded, through ALTOUR.

• The following website has information on this guidance: https://www.ohio.edu/finance/GCA/sponsor-travel-guidance.cfm
Salary Distribution Departments

• Committee discussed the processes used by departments to ensure that staff and faculty are correctly charged to grant accounts
  • Departments review the PAY M940 (payroll) reports to verify charges to their grant accounts
  • Review grant budgets for summer salaries and academic year charges – discussions with Principal Investigators to verify amounts
  • Some do monthly payroll transfers of faculty and staff based on actual hours worked on each grant – “After the fact Activity Report”
• Important that department administrators are aware of every grant that includes faculty or staff from their unit
• Ensure payroll is distributed by June 2 close tentative deadline July 18, 2017
Direct Charge Administrative Staff

• The Uniform Guide allows the direct charging of administrative staff only if all of the following conditions are met:
  1. Services are integral to a project or activity;
  2. Individuals involved can be specifically identified with the project or activity;
  3. Such costs are explicitly included in the budget or have the prior written approval of the Federal awarding agency, and;
  4. The costs are not also recovered as indirect costs.

• The committee is still discussing the complex processes necessary to accommodate situations in which these conditions are clearly met.
ORSP Update

• ORSP Service Center
  • Users can now create their own service tickets from LEO

• New look for the ORSP Website
  • Easier to navigate
    • Content updated and organized to match the ORSP reorganization cradle to grave concept

• Training material for research administration is being developed with central staff. These will be rolled out to the greater research community as they become established.

Michael Finney (finney@ohio.edu)
Mo Valentine (valentip@ohio.edu)
Financial System Enhancements (FSE)

Julie Allison: Assistant Vice President, Finance

Leigh Casal: Change Management Associate, Finance & Administration
Agenda

• Financial Project Updates & Milestones
• Mapping Updates
• Training and Communication Update
• Questions?
FSE Project Updates & Milestones

• FSE project will launch in November 2017
  • Rollout plan will be announced in summer 2017

• Major Milestone: GL Conversion completed in February
  • Begin testing & interacting with real data in the new structure with pilot groups
  • Allows other units to review initial mapping and provide feedback for March conversion
  • Mapping is iterative until go live

• Release HR/Payroll Reporting OBI dashboard in early 2017
  • Employee Information and Payroll Expense Distribution and other reports/dashboards as subject areas are moved to the Data Warehouse
  • Pilot group / Work Group currently being identified to help ensure dashboards meet campus needs
  • Early release of HR dashboards will allow users to become familiar with the use of dashboards in OBI

• Financial OBI Dashboard planning – February 2017

• Grants OBI Dashboard planning – February 2017
Mapping Updates

• General Ledger (GL) Combinations – February 2017
• Grants Accounting Combinations – spring 2017
  • Internal Awards March 2017
  • Sponsored and Capital Projects – Conversion handled by Finance
• Object Codes – February 2017
• Activity Segments – WIP, finalizing through mapping
  • Determine if there are shared requests among planning units
  • Seeking clarification from planning units
  • Establish 1st Draft of Shared Activity Codes to be vetted with FSE Partner Group
• Functions – 1st Draft vetted with COA Partner Group
  • Discussing training options for function with COAPG
• Cross Validation Rules – begin February 2017
Change Management

• Training Schedule
  • Vetting with RC Strategy & Change Network in February
  • Publish Training Schedule in spring

• Financial Systems Website
  • Centralized login to all Finance & HR related systems
  • Links to information on all Financial System Enhancements (OBI Dashboards, Oracle Grants Accounting, Financial Approvers and access to the COA Redesign Site)

Equipment Inventory

Kris Sano
Finance
General Accounting & Financial Reporting
Policy 19.054 Equipment Inventory Control

- Capitalization threshold updated to $5,000

- Processes were removed from the policy and are now referenced under the Procedures section of the policy and on GAFR website

  https://www.ohio.edu/finance/equipmentinventory/index.cfm

- Policy also applies to Sponsor Owned Equipment (Red Tag Items). Procedures for this are referenced in policy and available on Grants Accounting website

  https://www.ohio.edu/finance/equipmentinventory/eiredtag.cfm

- Outlines responsibilities of the department/planning unit for reporting equipment changes and certifications

- Changed the form names:
  - EI-8 form now called Equipment Status Change form
  - EI-9 for now called Request to Take Equipment Off Campus

- Streamlined reporting process when equipment is sent to Surplus Property

- Physical inventory counts of equipment inventory (cycle counts)

- Policy should be effective sometime in March once 30 day comment/review period is complete
Questions?

James Bond (bondj2@ohio.edu)
Kris Sano (sanok@ohio.edu)
Electronic I-9 Implementation
Electronic I-9 Implementation

• As discussed, the paper I-9 forms will be replaced by an electronic solution

• Expected outcome in implementation:
  • more timely completion of I-9 form
  • reduction in errors
  • increase in compliance

• OHIO will begin using this system on March 6, 2017
I-9- Basic Functionality

• New hires will be given a planning unit specific link to complete Section 1 of the I-9 via an offer letter.

• New hires will be instructed to fill out Section 1 and to bring their required documents to prove identity and eligibility to work to a location on their first day of employment. (No change in process in terms of where employees should report to complete the I-9).

• UHR or departmental representatives will log in to the I-9 system and complete Section 2 of the I-9 electronically.
I-9- Training

• Multiple sessions offered February 20-March 3 (including session via Adobe Connect)

• All individuals trained to complete student hires will receive a link to sign up for training

• HR Liaisons are working with planning unit representatives to identify others who complete I-9s for non-student hires

• Individuals will receive links to sign up for training on February 15

• If you are interested in training, but do not receive a link to sign up, please contact UHR at uhr@ohio.edu or (740) 593-1636
I-9 - Other Considerations

• UHR will update offer letter templates to include the link for new hires to complete the I-9

• HR Liaisons will work with planning units to assist in updating any faculty or student offer letters with the appropriate link

• UHR is working with the Provost’s Office to update the standard templates on the Provost’s site

• The specific links will be developed and distributed for incorporation into offer letters the week of February 20

• UHR will work closely with any units that conduct “mass hire” events to assist with incorporating new technology into process
I-9 Implementation Timeline

- February 8-13: individuals needing training are identified
- February 15: training registration link will be sent out to those identified
- February 20-March 3: training occurs
- February 20-ongoing: UHR works with planning units to update offer letter templates
- March 6: GO LIVE!
