The Office of Student Financial Aid and Scholarships wants to provide you with information about three payment options available to help families meet remaining college costs. These three options are the monthly payment option, Federal Direct PLUS Loan, and a private alternative loan.

You may begin applying for PLUS loans beginning May 1. It is recommended that you complete the application process for PLUS and/or private alternative loans by July 1 to allow for timely processing and disbursement of funds.

**Payment Plan**

Ohio University offers a Payment Plan which will split your term tuition and fees over installments. This interest-free payment plan is available to students for a non-refundable enrollment fee. Please refer to the Office of the Bursar website: [www.ohio.edu/bursar](http://www.ohio.edu/bursar)

**Federal Direct PLUS Loan**

Parents of dependent students can borrow a Federal Direct PLUS Loan to help pay college costs (tuition, room and board, books, and personal/miscellaneous). A parent must not have an adverse credit history in order to be eligible to borrow a PLUS loan. If approved, a parent can borrow up to the total cost of attendance (see student’s award letter) minus the student’s applicable aid. Although, repayment begins 60 days after the loan period ends, repayment can be deferred until six months after the student graduates or is no longer enrolled. **Private Alternative Loans**

A student may apply for an additional loan through a private lender to meet educational expenses. A student generally must have a positive credit history or have a credit-worthy co-signer in order to be able to borrow. If approved, a student can borrow up to the total cost of attendance minus the student’s applicable aid. Interest rates and loan fees vary from lender to lender. Repayment typically begins six to twelve months after the student graduates or ceases to be enrolled.
