Online MME Application Requirements

1) Undergraduate Institutions/Grades

- Minimum of 3.0 GPA in last 60 hours of undergraduate work
- Please provide transcripts (unofficial is acceptable)
- Must have a music education degree from an accredited college/university

2) Teaching Sample

- Applicants for the music education graduate degree must provide a ten minute video recording which demonstrates proficiency in teaching.
- Please send the video link to: Dr. Talbert (talbertm@ohio.edu)

3) Academic writing sample

- Please adhere to the latest edition of APA manual (6th edition) when completing your academic writing sample.
- Papers should be 3-5 pages in length (not including cover page, abstract, or references).
- Please choose one topic from the following:
 - i. What role does assessment play in the music classroom and how do you effectively/efficiently implement assessment strategies on a regular basis? Please reference current research literature to support your stance.
 - ii. In your opinion, what do you foresee as a major contemporary issue that music educators will face in the near future? Please reference current research literature to support your stance.
 - iii. Discuss the role of the music educator with regards to providing high quality music education experiences to students with disabilities in your classroom. Please reference current research literature to support your stance.
 - iv. Many teachers struggle to effectively manage the classroom. Please describe what you believe to be an effective classroom management strategy. Please reference current research literature to support your stance.
 - v. Examine the role the music curriculum plays in the development of a well-rounded student? Please reference current research literature to support your stance.

4) Letter of Recommendation

- Please provide a letter of recommendation from someone who has seen you teach (colleague, Principal, etc.), and can speak about your potential for success at the graduate level.
- Please have your letter sent directly to: Dr. Talbert (talbertm@ohio.edu).
