School of Art Grade Point Average Policy

Students in the School of Art (SoA) on the Athens campus are required to maintain a 2.75 accumulative grade point average and a 3.0 grade point average in major courses.

Any freshman directly admitted to the School of Art on the Athens campus who has earned less than a 2.75 accumulative and a 3.0 major course grade point average (GPA) after his/her first two academic semesters of full-time enrollment (12 credit hours minimum per semester) will be required to attend a Gaining Academic Progress (GAP) workshop through the Allen Student Help Center in Baker Center. Failure to attend a required GAP workshop will result in an “academic-hold” placed on the student’s records, which will make the student unable to register for future classes.

If after spring semester of sophomore year a student’s accumulative GPA is less than a 2.75 and their major course GPA is less than a 3.0, they may be dismissed from the School of Art.

Following each semester of full-time enrollment students’ grades will be reviewed to make certain that they have met the 2.75 accumulative and 3.0 major course minimum GPA.

Each semester a student’s GPA falls below the required 2.75/3.0 minimum GPA they will be subject to the School of Art probation policy.
