### INFORMATION FOR ALL STUDENTS

- We suggest participants have access to contingency funds. In the unlikely event of an emergency, the university cannot loan money to participants. Students should have access to some resources to cover unanticipated medical or other expenses. While the university does provide health insurance for students traveling abroad, not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact.
- Non program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately.
- Additional fees: Student Health Insurance, Technology, Student Info System, Student Legal, Wellbeing fees will be assessed to your student account. The tech fee is based on your home college. If you are eligible to waive the health insurance, student legal, and wellbeing fees, you may log into your "My OHIO Portal" to complete the process.
