Present: Danny Moates, Yeray Ramos-Silgado, Alba García-Alonso, Liang Tao, Scott Jarvis, guest post-doc student working with Scott, Angela Risner (potential doctoral student applicant for membership), and Emilia Alonso-Marks.

- Alba gave a presentation on parsing strategies for learners of Chinese in reading. This is going to be her thesis proposal. She intends to defend her proposal this coming fall.
- We talked about our next meeting this spring – April 10 – and the end of the year social gathering, which will take place on Thursday, April 30, at the 1804 Lounge in Baker Center.
- Our guest speaker this semester will be Dr. Zhiguo Xie (The Ohio State University). He will give his presentation at our last institute meeting, Friday, April 10.
- Scott contacted Nick Ellis. It sounds like the November date that we had suggested would work for him. Danny agreed to work on the proposal and budget.
