Dear Kids on Campus families, students, and teachers,

My name is Susan Chabot, and I am the new Program Coordinator for Kids on Campus. I relocated from California this past summer where I was a Jr. High teacher and Asst. Vice Principal for 20 years. I am a Midwest girl at heart, as I grew up in Michigan and attended Central Michigan University. I feel like I am back home; this area is very similar to the area where I was born and raised. I feel so honored to be able to work with the children and the fabulous, supportive Millcreek and Miller staff. Each month you will receive a newsletter updating you about the program, as well as what is happening for that month. We are looking forward to meeting you at our family events; meanwhile, please feel free to call, email, or stop by anytime: chabots@ohio.edu.
