Full Session: \_\_\_\_\_

First Session: 7 week session: \_\_\_\_\_

Second Session: 7 week session: \_\_\_\_\_

### 7 week session: First Session or Second Session

Three credit MW or TR summer classes will be the standard option (including 10-15 minute break). Total contact time per week equals 5 hours 20 minutes.

8:00 am – 10:50 am

11:00 am – 1:50 pm

2:00 pm – 4:50 pm

5:30 pm – 8:20 pm

Blended courses within those ranges are fine, e.g. for 50% blended, M 8:00 am – 10:50 am (10-15 minute break) or M/W 8 am to 9:20 am (no break)

Four credit classes and/or classes with labs or additional contact time can work within a standard time block over 3-4 days.

For example:

- MATH 1200 which is a 4-credit lecture course could meet MTWR 11:00 am - 12:50 pm (10 min break) or TWR 8:00 am – 10:35 am (10-15 minute break).
- CHEM 1210 which has 3 hours of lecture and 3 hours of lab could meet MW 8:00 am – 10:50 am (lec with 10-15 minute break) and TR 8:00 am – 10:50 am (lab).

### Full Session

The full session will be too long to be a viable option for most classes, but it will be an option for independent studies, internships, online, blended and Friday and/or Saturday classes.

### Fridays

Fridays (*we would prefer not to offer any Saturday classes during Summer*) will be used for workshops and a few regular classes that meet on Friday only.
