Seminar Evaluation Form

Speaker________________________________________

Abstract: [Please comment on whether the abstract was clearly written, well organized and adequately summarized the seminar given.]

Presentation: [Please comment on the organization of the talk, the quality of the audiovisual aids and the general “flow” of the seminar.]

Content: [Please comment on whether enough background was given, whether the material was current and was the topic too general/specific.]

Please write your question to the speaker in the space below:

Please print your name: ________________________________
