# OU-HCOM PRE-MATRICULATION IMMUNIZATION REQUIREMENTS

---

A decorative graphic consisting of a vertical line extending from the top edge to a horizontal line, and another horizontal line extending from the vertical line to the right edge, forming a T-shape at the top. A similar T-shape is formed at the bottom by a horizontal line and a vertical line extending downwards.

**HEALTHCARE PROVIDERS HAVE  
AN OBLIGATION TO PROTECT  
THEMSELVES AND OTHERS  
FROM DISEASE.**

## DEADLINES FOR SUBMISSION

- Immunization records and titer results must be submitted BEFORE July 15, 2024.
- TB blood test must be completed AFTER May 1, 2024. TB screenings completed prior to May 1 will be invalid.

## SUMMARY OF IMMUNIZATION REQUIREMENTS

- A Tdap vaccine within the last 10 years
  - A Td booster every 10 years thereafter
- 2 MMR vaccines OR proof of immunity
- 2 Varicella vaccines OR proof of immunity
- 3 Hepatitis B vaccines AND proof of immunity
- IGRA TB blood test
  - Follow-up required based on test results
- Full series COVID vaccine
- Seasonal Flu vaccine for 2024-25

## HEPATITIS B VACCINATION

- 3 Hepatitis B vaccines are required
- AND Hepatitis B Surface Antibody Titer
  - Official laboratory report must be submitted
  - Quantitative lab result recommended
  - NOTE: A positive antibody titer does not replace the requirement for 3 vaccines

# AAMC STANDARDIZED IMMUNIZATION FORM
