Join Us for the Program!

Program Year

- Fall of your junior year you’ll come to our campus in Warrensville Heights.
- Spend two days on campus with us during the school year.
- Learn about Osteopathic medicine.
- From farms to simulated helicopters. Our field trips will correspond with what we’ve learned throughout the year.
- Hands on activities: anatomy lab dissections, OMM demonstrations, CTAC and primary care clinical skills, etc.
- Meet with doctors and health care professionals. Get a closer look at all of the opportunities you have in the medical field.
- Enjoy lunch medical student and find out what its really like to be in medical school!
- Breakfast, lunch, and snacks provided.

Summer Program

- A four-day immersive summer camp starting the summer of your junior year.
- June 6-9th from 9-3pm
- Challenging yet fun filled activities and demonstrations every day.
- Breakfast and lunch provided.
- Transportation vouchers.
- Meet new friends that share the same interest in the medical profession.
